## O.P.E.N. WORKSHOPS AT OCEAN COUNTY COLLEGE

### SAVE THE DATE!!!!!!

Ocean County College's "Opening Pathways to Education Now" (O.P.E.N.) program is a new initiative that seeks to increase awareness of affordability to post-secondary education. To achieve this task, we have established 10 Workshops beginning in May 2009 and ending in February of 2010 to help students fill out the Free Application for Federal Student Aid (FAFSA) and to also use the FAFSA4Caster to help parents and students project what aid might be available when they are able to attend college.

If you are interested in attending one of the sessions indicated below, please contact the Ocean County College Financial Aid Office at (732) 255-0310 to register.

### WHAT DO I NEED TO BRING?

- **2008 Federal Tax Returns and W-2s for Student and Parent (if applicable) and all accompanying schedules**
