*For historical reasons, several non-credit courses such as Wastewater Operations have been listed with the credit courses.

In addition, in FY03 the college auditor disallowed certain credits because the courses were not submitted to the Council of County Colleges.

The total FTE is calculated as total student credit hours divided by 30.

Notes:

1. The percentage of students required to take developmental course(s) in the indicated skill areas were based upon the placement scores in effect for the given year. These placement scores have changed over the years.
2. Algebra was only required for certain majors and/or courses prior to the Fall 1993.
3. The college changed the test to the ETS Accuplacer effected for the Fall 1999. Starting with Fall 2000 exemptions for taking the reading/writing and mathematics sections were given to students scoring 500 on higher on the verbal or math section of the SAT.
