## **DISCOVER THE POWER OF POSSIBILITY WITH NON-CREDIT COURSES AT OCC**

TOMS RIVER – Do you need updated professional skills to remain competitive in your job field, or want to develop the new skills required to change careers? Or is now simply the perfect time to enhance your leisure activities or expand your interests? Ocean County College's **Department of Continuing and Professional Education** offers countless opportunities to enrich your life. Sign up for a class today and discover the power of possibility! The **spring 2010 non-credit course book** – available online at [www.ocean.edu](http://www.ocean.edu) after December 8 – lists nearly 600 courses, including 57 brand-new courses, and 350 online courses!

Enroll in one of 41 career and certificate programs in allied health and dental, animal control, bartending, business, computers, construction management, court reporting, early childhood education, legal office assistant, personal training, property management, security officer, Servsafe® food protection management, and more. Individual classes include allied health, business, computer training, educational preparation/general interest, green jobs, life skills, personal enrichment, and professional and career.

Classes are held on OCC's Main Campus, College Drive, Toms River; and at various locations in Brick, Point Pleasant, and Toms River.

Register online, by phone, or in person. For information, call OCC's Department of Continuing and Professional Education at 732.255.0404 or visit [www.ocean.edu](http://www.ocean.edu).
