Dear President Monaco:

I write this letter on behalf of the Officers & members of the George P. Vanderveer American Legion - Post #129 of Toms River.

Recently we had occasion to approach your facility asking for some volunteer assistance in and around our Post home, and your response was quick and truly over-whelming. We thought perhaps we might have a few students possibly from your veterans' club, who might favor us with some time and effort. What we received was not only students but many members of your faculty, and every one being willing, enthusiastic and able to give us whatever we might need.

To say "**Thank You**" is hardly enough to express our gratitude for your contribution. We had hands on help, and we had so many great ideas for suggestions to improve many of our projects. It was truly more than we expected, and we are ever so grateful!

We have always been able to depend on OCC for anything we asked, ie: using your parking lot for over night bus trips, and for some of our over parking requests, and we Thank you for that as well.

Looking forward to a better and stronger relationship between us, and certainly, please know that should you ever need our support, it would be yours for the asking!

Cordially,

Arnold (Arnie) Boyle, Commander

CC: Ms. Bailey Sanders,  
Coordinator for Community Service

and Ralph Moranz, Past Commander
