SUMMER CAMPS
KIDS & TEENS ON CAMPUS

SUMMER 2018
JUNE–AUGUST • AGES 3-17

www.ocean.edu/cpe.htm
Welcome to OCC’s 2018 Kids on Campus Summer Camp programs!! We are excited to offer our community a variety of fun, imaginative, and creative camps. This year we have some AWESOME new additions to the schedule, including Astronomy Adventurers, Arcade Electronics Galore, Magical Circus Arts Camp, STEAM for Girls, AP IQ, Bodyboarding - and so much more!! We are also proud to present new pre-school programs and sensory-friendly programs for high-functioning ASD kids.

Our entire team here at Continuing & Professional Education is dedicated to enriching the lives of our community kids academically, socially, and emotionally. Our camp coordinators, instructors, and counselors embody the compassion and passion necessary to create an atmosphere of connectedness and comfortability so that each child’s individuality is nurtured and respected by all.

We are so grateful to all the families who continue to trust us with the hearts and minds of their children and welcome the new and upcoming families into our community with excitement and anticipation for our best Kids on Campus Summer Camp yet!

Warmly,
Kerry Holzschuh
Youth & Camp Coordinator

Kids on Campus Policies

The Kids on Campus programs are intended to be an educational, fun experience for children. To insure a healthy and happy summer, a few new initiatives are in place:

- Registration: A Health & Waiver form must be completed for children 17 & under. This form is available online at www.ocean.edu/cpe.htm.
- Emergency Information: In the event of an emergency, it is imperative that the college has current contact numbers. If your number changes, even where you will be for the day, please provide this information to the instructor when dropping off your child.
- All campers should pack a snack and a bottle of water.
- Daily Check In/Out Procedures: All campers must be dropped off and picked up at their classrooms. Students must be signed in and out of camp by a parent, legal guardian or legally designated adult. It is imperative that children are picked up promptly at the end of class.

Plan to register early as class size is limited.

FOUR EASY WAYS TO REGISTER!

ONLINE: Register & pay by visiting www.ocean.edu/cpe.htm
IN PERSON: Visit the OCC Main Campus in Toms River, Library Building #3, Ground Floor; or visit the SEC (Southern Education Center) 195 Cedar Bridge Rd, Manahawkin. 609-978-2077.
PHONE: 732-255-0404
MAIL: Send your completed registration form to CPE (Continuing & Professional Education), Ocean County College, PO Box 2001, Toms River, NJ 08754 (Make check payable to Ocean County College)

**ACADEMICS**

**Astronomy Adventurers! (Ages 9-12)**

This camp will have you truly seeing stars! Learn the science of stars and galaxies and the technology we use to understand things too far away to see. View light through a spectroscope! Use a telescope! Search for planets that could support life! Find constellations, learn their stories, and test the ideas of astrology. The week will end with a trip to OCC’s planetarium. Content is correlated to the NJ Science Standards.

Cost: $175  
Course Code: CEPH-212-01  
Dates: 5 Sessions • Jul 23-Jul 27 • M,T,W,TH,F • 1:00pm-4:00pm  
Instructor: Ms. Cara M. Muscio

**Come Explore the Wonders of Outer Space (Ages 6-8)**

Explore the wonders of our solar system! Learn about the sun, other planets and moons. Search for life beyond the earth! Train like an astronaut! Make your own constellations, alien lifeforms, and much more! The week will end with a trip to OCC’s planetarium. Content is correlated to the NJ Science Standards.

Cost: $175  
Course Code: CEPH-143-01  
Dates: 5 Sessions • Jul 9-Jul 13 • M,T,W,TH,F • 1:00pm-4:00pm

**BUILDING & ENGINEERING**

**New** **Amusement Park Adventures (Ages 8-12)**
Design your own amusement park in this super fun, interactive engineering program! Learn how to use LEGO® bricks and other building materials to create roller coasters, merry-go-rounds, and other awesome rides. Work together to build these models and make them move using motors! You will build and design amusement park attractions of your very own in this exciting class!
Cost: $189
Course Code: CEET-201-01
Dates: 5 Sessions • Jul 23-Jul 27 • M,T,W,TH,F • 9:00am-12:00pm
Instructor: Snapology of Monmouth County

**New** **Animation Studio: Lets Make A Movie! (Ages 8-12)**
Create amazing movies with stop motion animation using LEGO® bricks and popular minifigures! Work in teams to produce your very own movie, complete with dialogue and sound effects. Storytelling skills are strengthened as everyone works together to write the script, shoot the video, and make the movie come to life. Everyone will share their creations during our big Snapology movie premiere on the last day. The animated movies will then be sent home for family and friends to enjoy.
Cost: $189
Course Code: CEET-204-01
Dates: 5 Sessions • Jul 30-Aug 3 • M,T,W,TH,F • 1:00pm-4:00pm
Instructor: Snapology of Monmouth County

**New** **Arcade Electronics Galore (Ages 8-13)**
Build and play your own arcade games! You will have at your disposal: resistors, switches, wires, LED diodes, transistors and more. Building with electronics is fun! You will program the spinning light fan to display different sayings. Build and play a Home Run Derby game. Build circuits to test your memory. Build an electronic circuit that plays the card game, 21. You can learn to program the circuit board to emit different funky sounds. Play with the disco ball, sirens, or a light show. Learn the effects of the different electronic components. Learn what amps, volts, resistance and power are. Learn by doing!
Cost: $219
Course Code: CEPH-209-01
Dates: 5 Sessions • Jul 30-Aug 3 • M,T,W,TH,F • 9:00am-12:00pm
Instructor: Sciensational Workshops for Kids, Inc.
Beginner Coding with Game Bots Robotics (Ages 8-12)

Calling all gamers! Learn about robotics while creating robotic games and learning to program them with new coding each day. Learn about gear ratio, sensors, programming, and pulleys, as you create fun games to play using LEGO® bricks and technology. Whether creating a Hot Shot basketball game, Angry Birdies, or a Ring Toss game, you’re sure to have fun building, learning, and playing the games with new friends.

Cost: $189
Course Code: CEET-198-01
Dates: 5 Sessions • Jul 9-Jul 13 • M,T,W,TH,F • 1:00pm-4:00pm
Instructor: Snapology of Monmouth County

Creative Design & Robotics

Robotics is one of America’s fastest growing industries. Learn the fundamentals of motorized mechanisms and basic design principles in this unique class. Design and build your first robot! After learning the basic principles of design, move on to building prototypes and learn to improve their function. At the end of the program, the robots will complete a series of challenges to determine whether they are fit for production! All equipment supplied.

Cost: $195
Ages 8-10
Course Code: CEET-145-01
Dates: 5 Sessions • Jul 9-Jul 13 • M,T,W,TH,F • 9:00am-12:00pm
Ages 11-14
Course Code: CEET-153-01
Dates: 5 Sessions • Jul 9-Jul 13 • M,T,W,TH,F • 1:00pm-4:00pm
Instructor: Black Rocket Productions, L.L.C.

Elementary Engineers: Let’s Get Moving (Ages 6-10)

Learn basic engineering concepts! Come build super-cool cars, catapults, and parade floats that use gears, axles, and pulleys. Work under guided instruction to build a different model each week using LEGO® bricks. This class is designed for children who love to build, create, and use their imagination as they build. Classes include free building time to promote creativity and socialization.

Cost: $156
Course Code: CEET-190-01
Dates: 4 Sessions • Jul 2-Jul 6 • M,T,TH,F • 1:00pm-4:00pm
Instructor: Snapology of Monmouth County

Follow Me Robot (Ages 7-12)

This is your own robot to build and take home! The robot you build will detect a sound source and move accordingly. Learn about the different gears and sensors as you build it. Build other robots while working in groups and enter them in our Robot Sumo wrestling and obstacle course events.

Cost: $195
Course Code: CECI-768-01
Dates: 5 Sessions • Aug 13-Aug 17 • M,T,W,TH,F • 9:00am-12:00pm
Instructor: Sciensational Workshops for Kids, Inc.
Hover Craft, Design Your Own Vehicle, & Egg Drop Car (Ages 6-11)
Three challenges in one workshop! Learn about the laws of motion, energy, air pressure, friction, lift, speed and acceleration. Build an air-powered Hover Craft! Build and take home a super car powered by multiple energy sources. Build an Egg Drop Vehicle! We provide the materials; you just have to be creative.
Cost: $195
Course Code: CEET-194-01
Dates: 5 Sessions • Jul 23-Jul 27 • M,T,W,TH,F • 9:00am-12:00pm
Instructor: Sciensational Workshops for Kids, Inc.

Junior Creator’s Club (Ages 4-6)
Preschoolers and Kindergarteners can participate in various creative play activities designed to promote their creative, social, and expressive skills. You’ll be amazed at the improvement you’ll see in your child’s fine motor skills!
Cost: $189
Course Code: CEET-191-01
Dates: 5 Sessions • Jun 25-Jun 29 • M,T,W,TH,F • 9:00am-12:00pm
Instructor: Snapology of Monmouth County

Junior Engineers (Ages 4-6)
Learn to think like engineers! Build fun and simple models using DUPLO® bricks. From seesaws and pinwheels to games, children will love what they create. By playing with and manipulating these models, children experience pulleys, levers, gears, wheels and axles while also exploring energy, buoyancy, and balance.
Cost: $189
Course Code: CEET-206-01
Dates: 5 Sessions • Aug 13-Aug 17 • M,T,W,TH,F • 9:00am-12:00pm
Instructor: Snapology of Monmouth County

Kinder Bots Robotics (Ages 5-8)
Build simple models that teach the fundamentals of robotic design. Whether learning about sensors while building drills and magic wands or discovering ways that gears and pulleys create movement while building helicopters and robotic dogs, everyone will have a great time. Learn beginning coding as you learn how to program robots to move.
Cost: $189
Course Code: CEET-195-01
Dates: 5 Sessions • Jul 9-Jul 13 • M,T,W,TH,F • 9:00am-12:00pm
Instructor: Snapology of Monmouth County

Lego® Brick Art & Design (Ages 8-14)
Learn about different types of art and the periods they were created. Create your own works of art using LEGO® bricks. Through Snapology’s interactive Art History camp, learn about Da Vinci’s Mona Lisa, Van Gogh’s Starry Night, Wright’s Falling Water house, and many more. Build pyramids, landscapes, portrait art, pop art, and even performance art using LEGO® bricks!
Cost: $189
Course Code: CEET-207-01
Dates: 5 Sessions • Aug 13-Aug 17 • M,T,W,TH,F • 1:00pm-4:00pm
Instructor: Snapology of Monmouth County
new **Robo Pets Robotics (Ages 7-12)**
Create your own animal-inspired robotic models. Learn about gear ratio, sensors, simple machines, and programming as you build insects, dolphins, gorillas, and much more. Learn coding to make your pets come to life! You’ll have a wild time as you build, learn, and play!
Cost: $189
Course Code: CEET-203-01
Dates: 5 Sessions • Jul 30-Aug 3 • M,T,W,TH,F • 9:00am-12:00pm
Instructor: Snapology of Monmouth County

new **STEAM for Girls (Ages 10-15)**
Enjoy an awesome camp experience with creative activities geared towards imagination, building, and teamwork. Become inspired as you learn all aspects of STEAM education from robotics to coding to engineering and creative LEGO® building. Come explore with Snapology this summer and make new friends!
Cost: $189
Course Code: CEET-202-01
Dates: 5 Sessions • Jul 23-Jul 27 • M,T,W,TH,F • 1:00pm-4:00pm
Instructor: Snapology of Monmouth County

new **Science of Lego® Superheroes (Ages 5-8)**
Study the science behind the powers of your favorite superheroes. How does Spiderman climb walls? How can Superman fly? Design superheroes using LEGO® bricks and Hero Factory building toys and come up with your own superhero comic strip. Create new adventures each day while working in teams to build social skills. Have a blast in a fantasy world of superheroes from The Justice League to The Avengers.
Cost: $189
Course Code: CEET-199-01
Dates: 5 Sessions • Jul 16-Jul 20 • M,T,W,TH,F • 9:00am-12:00pm
Instructor: Snapology of Monmouth County

new **Snapology STEM Scientists (Ages 8-12)**
Engage in building concepts from astronomy, earth science, biology, chemistry, and physics using LEGO® bricks and other interactive learning tools. Create a constellation, replicate an animal’s life cycle, and learn how to construct a tower to withstand a natural disaster. Design, build, and play while learning STEM concepts and utilizing imagination in real world ways. We make science fun!
Cost: $189
Course Code: CEET-196-01
Dates: 5 Sessions • Jun 25-Jun 29 • M,T,W,TH,F • 1:00pm-4:00pm

new **Super Summer STEM Full Day Camp (Ages 7-12)**
Snapology’s Super Summer STEM Camp is a full season of activities packed into one week. This camp promises creative activities geared towards imagination, building, and teamwork. Become inspired as you learn all aspects of STEM education from robotics to coding to engineering and creative LEGO® building. Build robotic pets, program games into robotics, construct your own amusement park, design a famous work of art, engineer a car and race it on a ramp you create yourself!
Cost: $289
Course Code: CEET-205-01
Dates: 5 Sessions • Aug 6-Aug 10 • M,T,W,TH,F • 9:00am-4:00pm
Instructor: Snapology of Monmouth County
**Superstar LEGO® Builders! (Ages 5-8)**

In this camp, each day is a new adventure of creation using LEGO® bricks and other interactive learning tools, including our mega stash of minifigures! One day you’ll create characters from Star Wars®, the next you’ll go on a search for a new Pokémon. Create your own Superhero comic book and bring it to life with bricks, Minecraft a new world, or transform into a Pirate or Princess on a quest!

Cost: $155
