SOUTH JERSEY JUNIOR SCIENCE SYMPOSIUM
STATEMENT ON OUTSIDE ASSISTANCE

Student finalists submitting their research **must complete this form and submit with their research paper.**

Title of your paper_____

_____

1. What steps lead you to formulate your hypothesis? (Where did you get the idea for your project?) Please be specific:

2. Where did you conduct the major part of your work? (Home, school or institutional setting university lab, medical center, etc.?)

3. If you worked in an institutional setting, did you work on your project as part of a team or group? If so, how large was the team, who was on the team (students, adult researchers, etc.)? Describe your role on the team.

4. What parts of the project did you do on your own and what parts did you receive help with (literature search, hypothesis, experimental design, use of special equipment, gathering data, evaluation of data, statistical analysis, arriving at conclusions, and preparation of paper?)

5. If this research is a continuation of an investigation that was previously submitted to a Regional JSHS, describe how you have expanded your investigation.
