We are so **very proud** of our **men's and women's swim teams** and their **excellent representation** of Ocean County College in **Buffalo**. **Hearty congratulations** are extended to the **swimmers** and **Coach Steve Stout**, Assistant Athletic Director **AJ Trump**, and Athletic Director **Ilene Cohen**.

## Ocean County College Woman Athlete of the Year

On **February 1<sup>st</sup>**, **Seton Hall University** was the **host site** for all **New Jersey women athletes** who were **honored** by their schools, from **high school to two-year colleges to four-year institutions**. Ocean County College selected **Jenny Lo** for its **2008 Woman Athlete of the Year**.

In **spring 2008**, Jenny was named to the **NJCAA All-American Swim Team**. She is a **liberal arts major** and **NJ STARS student**, who plans to become an **elementary school teacher**. She has worked as a **lifeguard** throughout **Ocean County** and **volunteered** for the **Island Beach State Park Beach Cleanup**. Jenny has been an **invaluable addition** to the **Ocean County College athletic program**.

## League for Innovation – Faculty Innovation Winner

The **League for Innovation in the Community College** is an **international organization** dedicated to **servicing community colleges** through **conferences and**

institutes, research, publications, initiatives, and Web resources. Each year the League honors outstanding innovations which have been recognized by member institutions as **Innovations of the Year**. These innovations represent **capstone achievements** and the **continuing renewal** of the **spirit of innovation** and **experimentation**.

This year, **Thomas Lesniak, Adjunct Assistant Professor of Science**, has received **Ocean County College's Innovator of the Year Award** for his **development and implementation** of multiple internal and external **crime scene locations** for the **Criminal Justice Program**. The crime scenes **integrated evidence** into several scenarios requiring students to demonstrate **critical thinking** and **analytical deduction**. The multiple scenes involved the **collection of furniture, clothing, and weapons** (nonfunctioning). In addition to the critical thinking and analytical deduction activities, the students had the **experience** of a **life-like evidence collection**, including **photographic evidence**. Professor Lesniak's efforts were **coordinated** with members of the **Criminal Justice faculty**.

**Congratulations to Professor Lesniak** on this **well-deserved recognition**, which will be **acknowledged** on the **League for Innovation website**.

## Bookstore Rewards Program

The **Ocean County College Bookstore** recently **implemented** a new **rewards program** to allow our students to **earn Viking Bucks**, which can be **redeemed** on **future purchases** in the Bookstore.

This **Viking Bucks rewards program** works much like the **major credit cards** wherein **points** can be **used** to **purchase various items**, such as airline tickets, merchandise, or gift cards. The student earns **one Viking Buck** for **every dollar spent** at the Bookstore. These **Viking Bucks** can be **converted** to **Bookstore gift cards** for **future purchases** of **books, classroom supplies, clothing, or other incidentals**. The only **exceptions** for the use of Viking Bucks are **nursing uniforms** and **computer equipment**.

This is a **wonderful opportunity** for our **students** to **save money** on **textbooks**, the prices of which continually increase. This program is also **available** to **college staff**.

## 2008 Best Practices Conference

The New Jersey Council of County Colleges 2009 Best Practices Conference, "Advancing New Ideas through Best Practices," is scheduled for Thursday and Friday, April 23<sup>rd</sup> and 24<sup>th</sup>. This year, the event is being hosted by Hudson County Community College at its Culinary Center in Jersey City.

Sponsoring the conference this year are SSP Architectural Group, USA Architects Planners and Interior Designs, The College Board, and The New York Times.

Thursday evening begins with a networking reception and keynote presentation by Dr. Idahlynn Karre, Associate Director of the Leadership Academy in Mesa, Arizona, and renowned international speaker, consultant, and coach, on "Our Community College Journey from Good to Great in Challenging Times." Friday features a number of best practices presentations from colleagues and peers, vendor tables, and networking. I have been selected to present the featured session on Friday; my presentation is titled "Entrepreneurial Perspectives: Bringing Entrepreneurial Perspectives to the Academy."

The Best Practices Conference is always an interesting and informative event. If you are interested in attending, please let me know.

## Ocean County College Foundation Golf Outing

The Ocean County College Foundation's 8<sup>th</sup> Annual Golf Outing is scheduled for Tuesday, May 5<sup>th</sup>, at the Eagle Ridge Golf Club in Lakewood. In the first seven years of the outing, over \$375,000 has been raised to support our students.

Registration and lunch will begin at 11:00 a.m., with driving range practice from 11:00 a.m. to 12:30 p.m. The shotgun start is at 12:30 p.m., and the awards/cocktail reception will take place from 5:30 to 7:30 p.m.

Please join us if you can.

## Mathematics Awareness Month

Since **1986**, **Mathematics Awareness Month** is recognized in **April** each year to increase public **understanding of** and **appreciation for mathematics**. It is **sponsored by** the **Joint Policy Board for Mathematics**, which is a **collaborative effort** of the **American Mathematical Society**, **American Statistical Association**, **Mathematical Association of America**, and **Society for Industrial and Applied Mathematics**.

The **theme** this year is **Mathematics and Climate** in recognition of one of the most **important challenges** of our time, **modeling global climate**. Some of the **fundamental questions** researchers are currently **addressing** are:

- ◆ How long will the summer **Arctic sea ice pack survive**?
- ◆ Are **hurricanes** and other **severe weather events** getting **stronger**?
- ◆ How much will **sea level rise** as **ice sheets melt**?
- ◆ How do **human activities** affect **climate change**?
- ◆ How is **global climate monitored**?

**Calculus**, **differential equations**, **numerical analysis**, **probability**, and **statistics** are just some of the areas of mathematics used to **understand** the **oceans**, **atmosphere**, and **polar ice caps** as well as the **complex interactions** among these **vast systems**. **Analyzing feedback effects** is a **crucial component** of **global climate modeling** and often a **significant factor** in **long-term predictions**.

It is **respectfully requested** that the Board **adopt** a **resolution** proclaiming **April** as **Mathematics Awareness Month** at **Ocean County College** to remind the college community of the **importance** of **mathematics** in our **daily lives**.

## National Poetry Month

**National Poetry Month** was **established** in **1996** by the **Academy of American Poets** as a **month-long**, **national celebration** of poetry. The **goals** of **National Poetry Month** are to:

**OCEAN**  
COUNTY COLLEGE

# PRESIDENT'S REPORT

*Jon H. Larson, Ph.D.*

- Highlight the **extraordinary legacy** and **ongoing achievement** of **American poets**
- Introduce more Americans to the **pleasures of reading poetry**
- **Bring** poets and poetry to the **public** in **immediate** and **innovative ways**
- Make poetry a more **important part** of the **school curriculum**
- **Increase the attention** paid to poetry by **national** and **local media**
- Encourage increased **publication, distribution, and sales** of **poetry books**
- Increase **public** and **private philanthropic support** for poets and poetry

A **number of events** are planned to **celebrate National Poetry Month** at Ocean County College, including **visiting poets**, a **film series**, an **"open mike" poetry session** for students, and student **workshops** for **creative writing**.

I respectfully request that a **resolution be adopted** by the Board to **proclaim** the month of **April** as **Poetry Month** at **Ocean County College** to **encourage** the **study of poetry** by our **students** and **participation** in the **various events** offered on campus to celebrate **National Poetry Month**.

## Commendation

The most recent **essay co-written** by **Dr. Martin Novelli, Dean of Humanities, Fine Arts, and Media Studies**, and **Dr. Frank Wetta, Professor of History at Kean University**, was **published** in a collection, **Why We Fought: America's Wars in Film and History (University of Kentucky Press, 2008)**. Their essay is titled **"On Telling the Truth about War: World War II and Hollywood's Moral Fiction, 1945 - 1956."**

**Why We Fought: America's Wars in Film and History** was named by **CHOICE magazine** as one of the **top 15 books on film** published in **2008**. It has also won the **Ray and Pat Browne Award** for the **best edited collection** in **popular and American Culture Studies** for **2008**. An entire session at the **January 2009 meeting** of the **American Historical Association** in **New York City** was devoted to the **book**.

**Congratulations** to **Dr. Novelli** and **Dr. Wetta**.

## **BOARD OF TRUSTEES**

### **RESOLUTION**

**WHEREAS**, since 1986, as a result of a proclamation by President Ronald Reagan, April has been designated nationally as Mathematics Awareness Month; and

**WHEREAS**, Mathematics Awareness Month is sponsored by the Joint Policy Board for Mathematics for the purpose of increasing public understanding of and appreciation for mathematics; and

**WHEREAS**, the theme this year for Mathematics Awareness Month is “Mathematics and Climate” because mathematics is required to solve the fundamental questions about the earth’s climate, particularly those concerning global warming; and

**WHEREAS**, mathematics is central to the development of both traditional and alternative energy sources and to the evolution of other strategies for mitigating the effects of climate change;

**NOW, THEREFORE, BE IT RESOLVED** that the month of April 2009 be proclaimed as Mathematics Awareness Month at Ocean County College; and

**BE IT FURTHER RESOLVED** that the college community be reminded of the importance of mathematics to our daily lives as well as encourage the study and utilization of mathematics by our students.

## **BOARD OF TRUSTEES**

### **RESOLUTION**

**WHEREAS,** each year since 1996 April has been designated by the American Academy of Poets as National Poetry Month in order to achieve an increasing visibility, presence, and accessibility of poetry in our culture; and

**WHEREAS,** National Poetry Month is recognized by the National Council of Teachers of English as a fundamental occasion for increasing the awareness of poetry; and

**WHEREAS,** poetry, as an essential part of the arts and humanities, affects every aspect of life in America today, including education, the economy, and community pride and development; and

**WHEREAS,** it is the goal of National Poetry Month to highlight the extraordinary legacy and ongoing achievement of American poets;

**NOW, THEREFORE, BE IT RESOLVED,** that the month of April 2009 be proclaimed as Poetry Month at Ocean County College; and

**BE IT FURTHER RESOLVED** that the college community be reminded of the importance of poetry in our daily lives, promote the study of poetry by our students, and encourage participation in the various events offered on campus for National Poetry Month.
