TO: Members, OCC Board of Trustees

FROM: Jon H. Larson, Ph.D.
President

SUBJECT: Items of Interest for the **May 27, 2008, Board Meeting**

DATE: May 21, 2008

Financial Aid/Student Loans

I have asked **Dr. Norma Betz, Director of Financial Aid**, to provide you with a **report** at **Tuesday's meeting** on the status of the **turbulence** in the **student loan industry**. Recent **legislation** enacted by **Congress** has impacted **loan limits**, student access to loans, **lenders of last resort**, and **bank and loan market liquidity**.

These **changes** in the **student loan market** are **affecting** all **community colleges**, creating worry and fear that **students' access** and **ability to receive loans** are **in jeopardy**. Dr. Betz will share with you some **history** on how this **instability** occurred, how **Ocean County College** fares within this turmoil, and what is being done to **assist our students**.

NJ Stars Program

As I reported in **my remarks** at **Commencement**, OCC graduated **160 NJ STARS** students this year, the **highest number** of any **community college** in the **State**. The **number of students** taking advantage of this **very successful program** continues to **increase** as **parents recognize** the opportunity for **significant tuition savings** and **high school students** are provided with **incentives** and **encouragement** to **do well academically**.

The **Governor**, in his **FY 2009 State budget**, proposed an **income limitation** of **\$100,000** on the **families** of students who are **eligible** for the **NJ STARS Program**, a limitation that would **alter** the **original intent** of this **merit-based program**.

The **New Jersey Assembly Higher Education Committee** recently held a **special hearing** on the **proposed changes** to the **NJ STARS Program**, at which a **contingent** of **community college presidents**

and **students** delivered **powerful testimony** about the **merits** of the **program**. As a result of their efforts, the **Chair** of the **Assembly Higher Education Committee** will recommend to the Governor a **two-part strategy** as a **compromise** to the proposed income limitation:

- ◆ Keep the NJ STARS program the **same** for **FY 2009**, committing the **necessary funds** to do so; and
- ◆ Appoint a **special task force** to develop **recommendations** to **amend the program** beginning in **FY 2010**.

I am pleased to report that **Assemblyman and Special Assistant to the President Dave Wolfe** has been **invited** to serve as a **member** of the **task force**. He is **aware** of the **concerns** relating to the program from the perspective of both the **students** and the **State**. I will **keep you informed** on the **progress** of this effort to **find a compromise** to **retain** the **NJ STARS Program** for its **original purpose**.

Ocean County College Athletics

I am very pleased to share with you the **wonderful success** of **OCC's athletics teams** this year:

- ◆ **Men's Golf** - After an **exciting playoff**, the **OCC Men's Golf Team** won the **Region XIX Tournament** that was held at **Cape May Nationals** on **Tuesday, May 13th**. The team finished the tournament in a **tie for first place** with the **County College of Morris**. The teams then had a **playoff**, and **OCC won the first hole** with a **score of 16** against **18** for **Morris**.

Individual tournament scores for the team members were: **Juan Ruiz, 78; Steve Kennely, 79; Scott Defibaugh, 81; Mike Dickenson, 81; Jeff Carswell, 88, and Anthony Melchione, 88**. The team's **winning score** was **319**.

Head Coach Kevin Beirne was named the **2008 Region XIX Coach of the Year**. He will lead the team to the **National Tournament** at **Chautauqua Golf Club** in **Jamestown, New York**, which will be held from **June 2nd to 6th**.

- ◆ **Women's Tennis** – The **OCC Women's Tennis Team** finished **second** in the **nation** in **Division III** at the **National Junior College Athletic Association Tennis Tournament**, which was held from **May 3rd to 7th** in **Tucson, Arizona**. This was the **best finish** of the **Women's Tennis Team**.

In his **second season** at **OCC**, **Head Coach Stan Friedman** led the team to an **undefeated season** in the **fall** with a **first place finish** at the **Garden State Athletic Conference**. As a result, he was recognized as the **Conference's Coach of the Year**.

The Webb Regatta was the **team's last event** for the year. In the **fall**, the OCC sailors **finished second** in the **championships**. This first place finish for the spring concluded an **outstanding year** for the team.
