

General Studies – Math Concentration

A.S. Degree Program – Catalog Year 2018-2019

The Associate in Science (A.S.) degree is designed for students who wish to create an individualized program in a specific academic area. Students may explore career fields while selecting courses that will facilitate their goal of transferring to a four-year college/university or beginning a career. Students must complete the following: All students must complete STSC 155, College Success Seminar, during their first year of enrollment; A minimum of 30 credits from the list of Approved General Education Courses; At least 18 credits from one academic area to satisfy the Department Concentration; Additional elective credits to meet requirements for the degree (minimum 64 credits).

Transfer Information

Students pursuing the General Studies Math degree can build a comprehensive concentration in the area of Mathematics in order to transfer into a wide range of programs, such as Mathematics, Actuarial Science, Finance, Physics, Computer Science, and Engineering. Students are encouraged to work closely with OCC faculty and Advising Transfer Services. Students planning to transfer to a four-year institution in NJ can explore the "Transfer Programs" feature on NJ Transfer www.njtransfer.org.

Career Information

The Associate of Arts and the Associate of Science Degrees are designed to provide students with the coursework needed to transfer to a four-year institution and pursue a bachelor's degree. The curriculum provides students the knowledge and skills needed to pursue various career pathways, while providing a credential beyond the high school degree. Students are strongly encouraged to consult with OCC faculty and Career Services as they begin to explore career options. Students can also utilize Career Coach, a resource provided by OCC, to explore degree programs and corresponding careers <https://ocean.emsicc.com/>

Recommended Courses

MATH 161 or 165* and above

*Students proficient in algebra should take the College Level Math Test to determine placement into pre-calculus or calculus.

Students are encouraged to keep track of degree requirements by using the "My Progress" screen on Student Planning. Student Planning can be accessed via logging into Ocean Connect.

Curriculum

General Education Core Requirements:

Communications 6 credits

_____ ENGL 151: English I

_____ ENGL 152: English II

Humanities 3 credits

_____ One (1) Humanities course selected from the list of Approved General Education Courses
