

## Hospitality, Recreation and Tourism Management

A.S. Degree Program – Catalog Year 2017-2018

The Associate in Science degree program in Hospitality, Recreation and Tourism Management (HRTM) is designed to prepare students to begin a career in the creative, people-oriented Hospitality, Recreation & Tourism industries, or to continue with their education toward a Bachelor's degree. The program provides a business planning and management foundation that examines industry trends, consumer behavior, guest services and other factors that influence Hospitality Recreation & Tourism development and promotion. Students will receive exposure to critical thinking skills as well as a broad education and awareness of values, skills, and attitudes that will prepare them for responsible citizenship roles across the scope of the hospitality, recreation and tourism industry and society.

### Transfer Information

Students pursuing the Hospitality, Recreation, and Tourism Management degree can transfer into majors such as Hospitality and Tourism, Recreation, and sometimes Business Administration with a concentration in Hospitality. Students should research availability of this major both in and out of state. Students are encouraged to work closely with Business Faculty and Advising Transfer Services. Students planning to transfer to a four-year institution in NJ can explore the "Transfer Programs" feature on NJ Transfer [www.njtransfer.org](http://www.njtransfer.org).

### Career Information

Associate of Science Degrees are designed to transfer to a four-year institution, where students will pursue a Bachelor's Degree. Some students pursue the Associate Degree for personal enrichment, and/or for employment purposes, helping to improve qualifications for jobs requiring a credential beyond the high school degree. Students are strongly encouraged to consult with Business Faculty and Career Services as they begin to explore career options. Students can also utilize Career Coach, a resource provided by OCC to help students explore degree programs and corresponding careers [ocean.emsicareercoach.com](http://ocean.emsicareercoach.com)
