Psychosocial Rehabilitation A.S.

FAQ's

Why study Psychosocial Rehabilitation?

This degree will provide you with the basic skills and rehabilitation techniques to begin a career in assisting practitioners in services and support to people with severe mental illnesses and other disabilities, empowering them to manage their illnesses and live rewarding and productive lives in the community.

Does OCC offer a degree in Psychosocial Rehabilitation?

Yes. A cooperative program with Rutgers – School of Health Related Professions (SHRP) will allow OCC students to earn an A.S. degree in Psychosocial Rehabilitation by completing thirty-four credits in prerequisite courses at OCC and taking the remainder of their clinical coursework at Rutgers SHRP Scotch Plains or Stratford, NJ campus. Students can complete this program in two years on a full-time basis over 5 semesters (Fall year 1, Spring year 1, Fall year 2, Spring year 2, Summer year 2) or over a longer time frame on a part-time basis.

Do I need to be a resident of Ocean County to enter the program?

Yes. To participate, students must be a resident of Ocean County and complete a minimum of 34 credits in residence at OCC. Twenty Eight (28) credits must be completed at the point of application and the remaining six (6) done by the start of the clinical program.

What are the prerequisite courses needed to apply?

ENGL 151 – English I	ENGL 152 – English II
Humanities – Any GHUM Course	PSYC 172 – General Psychology
