Transfer Information

Students pursuing the Public Service degree can transfer into a wide variety of areas within public service, including fire science, addictions, child care, human services and government. Majors include Public Administration, Fire Science, Human Services and Sociology. Many colleges offer opportunities for transfer both in and out of state. Students are encouraged to work closely with Faculty and Advising Transfer Services. Students planning to transfer to a four-year institution in NJ can explore the “Transfer Programs” feature on NJ Transfer www.njtransfer.org.

Career Information

The Associate of Arts and the Associate of Science Degrees are designed to transfer to a four-year institution, where students will pursue a Bachelor’s Degree. Some students pursue the Associate Degree for personal enrichment, and/or for employment purposes, helping to improve qualifications for jobs requiring a credential beyond the high school degree. Students are strongly encouraged to consult with Faculty and Career Services as they begin to explore career options. Students can also utilize Career Coach, a resource provided by OCC to help students explore degree programs and corresponding careers ocean.emsicareercoach.com
