Hi Dave,

Thanks for writing and thanks for the kind words. I can't tell you how much I enjoyed hanging out with you and your students. They're a great group of kids, and they're very lucky to be working with someone like you who is experienced, thoughtful and engaged in their education.

I teach adults privately here in San Francisco, as well as occasional seminars on the road, and I found myself particularly inspired by your students and the work you're doing with them.

We enjoyed the festival very much, and were impressed with the amazing roster. We really appreciated the kind treatment from the festival staff. I hope that the festival will continue to grow and gain support in the community.

Thanks so much for your gracious hospitality. I hope we'll cross paths again. In the meantime, all best wishes with your musical endeavors!

Sincerely,
Chris
