This is going to be such an amazing way to end of my time with the OCC Jazz Band. I tell you its gonna be a sad day leaving the band. I learned so much over the course of my time with the band. It was such an amazing journey; watching not only myself but the band in its entirety evolve over each of the semesters! I also can't thank you enough for how much of an impact you have had on my musical career. If it wasn't for you I would have never realized I wanted to pursue jazz, and for that I will be forever grateful! Let's finish out this semester strong, It will be awesome!
