Subject: Your Amazing Jazz Band!

Dear Professor Marowitz,

My name is Gregory, and I met you during your jazz band show at Grace and Peace this past Saturday. I am a music enthusiast, musician, composer, etc, and I have to tell you, the band on the stage was breathtaking in it's talent, performance and stage presence. My wife and I are raising our two young sons, ages 5 and 2, to appreciate music as much as she and I do, and it would be such a joy to bring them to see your OCC jazz band play live.

Sadly, the ticket prices for the upcoming June 12th show is far beyond what our family could afford, so I wanted to ask you if there are any other shows the band will be playing at this coming summer? My wife is also a musician, so she loves music so much too, and we have our 5 year in music classes at the Music Academy in Toms River, and we would absolutely love for him to see such talent from a local music group.

Thank you so much in advance for your reply.

Warmly and sincerely and with much appreciation,
Gregory Andrus
