

POLICY

Use of College Vehicles

With appropriate prior approval, any Ocean County College employee who possesses a valid New Jersey driver's license may drive a college-owned vehicle. Under no circumstances may a person who is not an employee be permitted to drive a college-owned vehicle, nor may a person who is not a college employee engage in driving an automobile as an agent of the College for any college-sponsored activity. The College vehicle may only be driven directly to and from the approved activity/event.
