PROCEDURE

1. Currently enrolled students who earn a passing grade in course prerequisites may advance accordingly.
2. Incoming students who wish to enroll in Precalculus 1, MATH 191 or higher must take the Advanced Algebra and Functions (AAF) Test. The AAF is available to students who were exempt from the Next Generation mathematics placement test or who scored a 276 or higher on that test.
3. The High School Transcript may be reviewed for placement into the Precalculus sequence. Courses completed within two (2) YEARS OF ENROLLMENT AT THE College may be used in this transcript review process. Placement in these courses is based on the chart below.
