SUMMARY OF SELECT STUDENT POLICIES

Obligation To Know
Ocean County College students have the responsibility for being fully aware of college policies and regulations. College policies and procedures are listed in this handbook, are available online at go.ocean.edu/policies, and in the college catalog. The student handbook is also available online at www.ocean.edu.

The college reserves the right to make revisions to publications, policies and procedures at any point in between yearly publications of the student handbook and other publications. Students will be notified via email when changes are made; once changes are posted online, they are in effect.

Civility Statement
Ocean County College defines civility primarily as the demonstration of respect for others, basic courtesy, reciprocity (treating others as we wish to be treated), and behaviors that create a positive environment in which to learn and to work. The Trustees of the College and the College Administration set the tone for civil behavior through their professional conduct and through their leadership of the institution. All members of the college community create a positive environment characterized by considerate and principled conduct. While no civility statement can guarantee considerate and principled conduct, the values set forth below represent institutional ideals and should serve as guideposts:

1. Respect for the work of all persons
2. Courteous discourse (oral, verbal, non-verbal and electronic)
3. Honest interactions and utterances
4. Fair and just treatment
5. Integrity and keeping promises
6. Commitment to the community college philosophy: Access, transfer, career preparation, workforce development, partnering and community outreach
7. Open professional communications
8. Diversity, professionalism, and collegiality
9. Free expression of views without meanness or a desire to do harm
10. Tolerance of differing points of view.
11. Zero tolerance for any forms of cyber stalking, cyber bullying, or cyber sexual harassment
12. A culture of honor that enhances our students’ ethical and moral development and clearly communicates and consistently adheres to the definitions of and sanctions for academic dishonesty

These ideals are consistently modeled by those in leadership positions - in the administration, staff, faculty and student body - and should provide direction for all members of the college community

Affirmative Action Policy Statement
The Board will govern the College so as to give employees the opportunity to pursue and achieve their potential, without regard to race, color, creed, sex, religion, affectional or sexual orientation, ancestry, national origin, gender identity or expression, age, marital or domestic partnership or civil union status, liability for military service, atypical cellular or blood trait, genetic information (including the refusal to submit genetic testing), parental status, veteran status or disability.

Equal Employment Opportunity Policy Statement
The Board of Trustees of Ocean County College is committed to a policy of fairness and equity with respect to selection, hiring, retention, promotion, transfer, demotion, termination, salary, benefits, other privileges, conditions or terms of employment layoff, harassment, apprenticeship and training programs, job referrals or union membership.

Students with Disabilities
Ocean County College complies with The Americans with Disabilities Act (ADA) of 1990, Amendments Act of 2008, and the Rehabilitation Act of 1973, Section 504. OCC provides reasonable accommodations for all academic programs and services to qualified students with disabilities. Inquiries regarding reasonable accommodations and services may be directed to Disabilities Services, 732-255-0456 or accommodations@ocean.edu.

Harassment, Discrimination, Sexual Misconduct, and Sexual Violence Policy Statement
Ocean County College prohibits unlawful discrimination, harassment, and sexual misconduct in any form, and we have a zero tolerance policy. The Board of Trustees is committed to maintaining compliance with any modification of existing or new anti-discrimination laws that are applicable. Sexual and relationship violence and sexual harassment are considered to be forms of discrimination under federal laws. All members of the college community are protected and share in the responsibility to create and foster an environment of mutual respect and concern. For more information, contact the Title IX Coordinator. Confidential resources include Counseling Services at 732-255-0386 or counseling services@ocean.edu.

Drug Free Schools and Campuses Regulations
Ocean County College (OCC) is committed to promoting the well-being, health and safety of the campus community and to maintaining an environment that promotes the full educational learning experience. OCC encourages responsible choices and behaviors by all members of the campus community, and the respectful and courteous interaction between and among those members. One of the responsible behaviors and choices relates to the use of alcohol and illicit drugs; the use of alcohol and drugs has serious impact on that well-being and interferes with academic success.

Becoming familiar with some of the policies, procedures and regulations of this office will be helpful to you as you work through your academic program.
Access to Student Files:
The Family Educational Rights and Privacy Act of 1974 was designed to protect the privacy of students and governs access to records and the release of such records. This applies to potential employers, schools where you may wish to transfer, and reference checks, etc.

Written consent from the student must be obtained to release any but the following “Directory Information:” your name, address, telephone, date and place of birth, and other similar biographical information. If you do not wish to have this information released, you must notify the Registration and Records Office.

Change of name, address, telephone:
It is required that the Registration and Records Office should be notified on an official Information Change form of any change in this type of information.

Add/Drop (adding a course or changing a schedule):
Students may adjust their schedules any time prior to the first date of the semester without incurring a fee or penalty. After the semester has begun, students can add courses up to the attendance census date (see your bill/schedule or the college’s website for specific attendance census dates for the semester in question). After the attendance census date, no registration of any kind is allowed.

Drops after the semester begins (but before the attendance census date will be at a 50% refund. After the attendance census date there is no refund. Students cannot withdraw from classes after the withdrawal deadline (check the college website for specific withdrawal deadlines).

Graduation:
It is necessary to apply to graduate from Ocean County College. The college officially graduates students in January, late May, and again in late August each year. Any student who completes degree requirements significantly in advance of the next scheduled official graduation may request a Certificate of Completion, as long as the student has already submitted the application for graduation.

Academic Progress:
It is the responsibility of each student to check his/her academic progress during and at the end of each semester. If you are experiencing difficulty, you should consult your instructor. If there are errors in your record, it is your responsibility to bring them to the attention of this office.

Re-admission:
Students who have stopped attending the college for a year (for any reason) must reapply.

Registration:
Don’t pass up the opportunity to register early for better course selection and to avoid late registration. Our website is updated with information regarding registration for the next semester. You should:

- Review your graduation requirements.
- Review your curriculum using Student Planning.
- Access the schedule of classes online at www.ocean.edu.
- Make an appointment with your Faculty Advisor.
- Develop a tentative schedule that you can discuss with your advisor.

Academic Sanctions:
Students failing to maintain satisfactory academic standards/progress may be placed on academic probation.

A student placed on academic restriction or suspension may appeal the action to the Academic Standards Committee.

Transcripts:
Transcripts to be sent to other colleges may be requested online at go.ocean.edu/transcript. Note: Processing during registration periods may be delayed due to unusually high workloads.

Transcript evaluation:
Coursework completed at other colleges must be evaluated by the Registration and Records Office in order for you to apply any previously earned credits to your current program. You must arrange for official transcripts to be sent here from the colleges where the credits were earned. An official evaluation will be done by this office after which time you will be notified which credits have been accepted.

The maximum allowable credits in transfer are half the total amount of semester hours required for the associate degree for the curriculum chosen (30 academic credits). You must be in a degree program in order to have transfer credits evaluated.

The Ocean County College Financial Aid Office was established to serve those students who need financial assistance to obtain a college education. The college participates in a multitude of financial aid programs from state and federal government sources. In 2019, 40.7 percent of the OCC student body received some form of financial assistance.

Who Can Apply for Financial Aid?
Any student enrolled in an approved degree or certificate program at OCC. Financial Aid is available for full-time and part-time students.

How Does Someone Apply?
A Free Application for Federal Student Aid (FAFSA) must be completed and submitted online by using FAFSA on the web at www.fafsa.gov. Before beginning the FAFSA, you should apply for a U.S. Department of
Education Federal Student Aid identification number (FSA ID) at www.faid.ed.gov. The FSA ID will allow you to sign your FAFSA electronically and to correct your processed FAFSA information online. When the FAFSA is filed, the student is applying for federal, state, and institutional aid programs.

Ocean County College provides financial assistance to qualified students through various combinations of grants, loans, and part-time employment. Eligibility is determined on an individual basis. Recipients are required to meet program guidelines and maintain good academic standing. Unless otherwise specified, financial aid is awarded on an annual basis and students must reapply each year. All students applying for financial aid must file a Free Application for Federal Student Aid (FAFSA). This form can be completed online at www.fafsa.ed.gov.

For State aid, FAFSA applications to attend Ocean County College must be received by the Federal Processor no later than September 15 for fall semester and February 15 for spring semester. Applications submitted after the above State deadlines are considered late and may result in a loss of State aid. Late applicants should expect to pay for their own tuition, fees, and books; but those who establish eligibility for financial aid may receive a refund after processing is completed.

Financial aid is credited to a student’s account. Once all charges have been settled, a student may purchase books with any remaining funds, during applicable add/drop periods. Please complete your financial aid paperwork in a timely manner to ensure proper application of your financial aid funds.

To apply for Ocean County College Foundation Scholarships, students must apply online at go.ocean.edu/scholarships.

**VETERANS EDUCATIONAL BENEFITS**

If you are a veteran, dependent of a deceased or disabled veteran, or active duty military member, you may be eligible to receive monthly educational assistance from the Veterans Administration while enrolled at OCC. The school certifying officials and students work together to assess individual needs in strategically planning their use of military/veterans education benefits and/or financial aid programs.

**SATISFACTORY ACADEMIC PROGRESS**

Federal and State regulations require students that receive financial aid be making satisfactory academic progress (S.A.P.) toward their degree or certificate. Failure to achieve or maintain progress will result in denial of all financial aid until the student attains the minimum standard required. S.A.P. is defined by the Federal cumulative grade point average, time frame, and class completion. Students can only receive financial aid for a period of time not to exceed 150% of the credit hour requirements for the degree or certificate. Classes that have been dropped or withdrawn from are included in this time frame.

**NEW JERSEY STATE PROGRAMS**

A student will enter repayment on a loan six months after he ceases at least half-time attendance at an eligible school. If ineligible for federal subsidy the student will be charged interest from the moment the loan is disbursed to the school. All students must submit a FAFSA to qualify.

In addition to the FAFSA, students must complete a student loan Entrance Interview and a Master Promissory Note (MPN). The Counseling Center provides comprehensive counseling and other supportive services focused on the psychological and emotional well-being and academic success of our students. Personal, social, and/or emotional concerns often interfere with academic success and learning. Students who have many strengths and resources may still experience difficulties that impact their ability to be successful in their studies and in their lives. These issues may be resolved through confidential, individual counseling sessions, provided by licensed professional counselors.

We focus our attention on you as an individual, and we work collaboratively with you with compassion, empathy and integrity. Our counselors' perspective is to work with you holistically, recognizing all facets of your life. We provide information, referral to and linkage with external resources. Services and activities are provided individually and in group sessions.

Issues which affect students’ lives and impact academic success, and can be addressed through counseling, include:

We are here for you, because YOU matter!

Our department provides seminars and workshops to increase the knowledge, awareness and prevention of issues such as suicide, alcohol and drug use and abuse, and sexual violence, including domestic violence and sexual assault.

All of the department’s services and programs are designed to increase students’ persistence, academic success and progress to graduation.

The department administers three programs in addition to personal counseling services:

**Restore Your Score:**
A program designed to help students who are academically at-risk to learn the skills needed for academic success and to identify and resolve what is affecting that academic success. Restore Your Store includes individual meetings with a counselor, seminars and academic planning. The Restore Your Score Program is designed specifically for students with academic sanctions. Call the Counseling Center 732-255-0386 for more information.

**Supporting Students in Recovery Program:**
A comprehensive program of resources, peer-support, and professional counseling provided by a Licensed Clinical Alcohol and Drug Counselor available to all students in recovery and their allies. The Recovery Support Program consists of on-campus support, mutual support groups, recovery coaching, access to an on-campus Wellness and Recovery Center, recreational activities, and relapse prevention. To become a part of this program, contact the Counseling Center at (732) 255-0386 or counselingservices@ocean.edu.

**Displaced Homemakers Program of Ocean County:** The Displaced Homemakers Program of Ocean County provides services to assist individuals who must become economically self-sufficient because of separation, divorce, disability or death of a spouse or partner who is the family’s primary wage earner. Services include development of a career, education, employment and life plan through career counseling, assistance with employment, education and job training, linkage with community resources, individual and group counseling, and workshops and seminars. Participants must meet eligibility requirements. Call 732-255-0400 ext.2297.
The Southern Education Center of Ocean County College is located in Manahawkin, off Route 9, behind Southern Regional High School on Cedar Bridge Road. The Southern Education Center (SEC) is a full service extension of the main campus but located more conveniently for students residing in southern Ocean County.

The SEC offers a wide spectrum of community college opportunities. Over 80 courses are offered each semester, with classes scheduled during the day and evening. The bulk of the courses offered match popular degree programs that students choose such as the Associate in Arts – Liberal Arts or the Associate in Sciences – General Education. Other classes fit a specific degree program such as Criminal Justice, Business Administration or the Pre-Nursing requirements. The classes are taught by professors who meet the same requirements as those professors instructing on the Toms River campus, while the intimacy of the SEC allows for a very positive student professor relationship. One student stated, “Especially down here (at the SEC), almost all of my professors that I’ve had, know me by name.” (Noel Levitz Student Satisfaction Inventory, Fall 2018 Implementation, July 2019)

In addition to classes, Student Service Advisors are housed at the SEC to assist students with the wide variety of their needs and questions. From the first steps in the process of joining the Ocean County College community to commencement, these Advisors will assist with registration and enrollment, transfer discussions, financial aid support, and most importantly, student advising. The SEC Student Service Advisors’ Office offers a walk-in, one-stop service appointment that will assist and guide students through many of the college procedures. Once classes start, most of the supportive service opportunities that are available on the main campus such as Disability Services, Career Services, Student Life events, college Librarians, counseling, Educational Opportunity and Student Support services, academic coaching, and transfer guidance are also offered at the SEC. Representatives for Kean Ocean and Stockton regularly schedule appointments at the SEC for Instant Decision Days.

For any Ocean County College student living in Lacey Township or further south in Ocean County, the opportunity for pursuing your Associate degree is close to home. For the southern county resident, a short drive and convenient parking make the travels of a commuter easier. For non-traditional students, evening classes can assist with your educational opportunity conveniently. The wide array of services and classes offered while at the SEC fully extend all the opportunities of the Toms River campus into the southern portion of Ocean County. The small and intimate setting at the SEC allows for a very personal connection to instruction, advising and support services. Together, the Southern Education Center is Ocean County College offering classes, services and supports.

The mission of Student Support Services (SSS) at Ocean County College is to assist first-generation college students, low-income college students and/or college students with disabilities to complete an Associate’s degree. Funded by the U.S. Department of Education, each participant is encouraged to meet one-on-one with a professional tutor, discuss personal challenges and find solutions with an academic coach, and understand degree requirements and transfer opportunities with an academic advisor.

Along with the academic services provided by the program, SSS takes students on cultural enrichment trips, like Broadway shows, symphonies, museum trips, all FREE of charge. While every student comes to college with diverse needs and concerns, SSS emboldens students to be self-driven; to discover barriers, seek out solutions, and develop a positive mindset in their journey toward success.

**Telephones, Assistance/Emergency:**
Emergency telephones are located strategically throughout the buildings and within the parking lots for access to Campus Security for emergency and general information.

**Textbooks and Materials:** A student may expect to spend an average of $500.00 per semester for textbooks. Students, however, should be alerted to the fact that material and supply costs for some courses may increase this figure significantly. A laboratory or materials fee may, on the average, add $100.00 per semester. Distance Learning lab packs start at $179 and up. No stock is kept at the Bookstore. Orders are placed for textbooks and materials.

**Tuition and Fees:** Tuition for a resident of Ocean County will be based on a per credit hour charge multiplied by the number of credits registered for, plus fees. Payment is due upon registration. Failure to pay may result in the student’s scheduled courses being canceled.

The student’s tuition and fees are established by the college’s Board of Trustees and are subject to change at any time. Please see OCC’s website for the current tuition and fee rate. Beginning in Fall 2020, the college/student fee and technology fee will be incorporated in the tuition rate.

**Tuition Payment Plan:** Payment to OCC for tuition and fees is normally required to be paid in full at the time of registration. However, we recognize that making payment in full before the semester begins can cause an economic hardship for many students. To remedy this situation, we provide the OCC Tuition Payment Plan (TPP).

The OCC Tuition Payment Plan offers a financial planning option that allows you a line of credit to pay tuition and fees in installments. There are no interest or financial charges, although there is a $30 contract fee to sign up for the program. A $20 fee will be added to your account for partial, late, or missed installment payments. A payment plan is considered late if it has not been received in the Cashier’s Office, the Hub or paid on the Web by the close of business on the day it is due. To participate, you must be registered for three or more credit hours a semester. Register for classes and sign up for the payment plan early to spread your costs out over the maximum number of installments.

Multiple terms cannot be combined into a TPP. A separate TPP needs to be set up for each term. Brochures on the payment plan can be obtained online and from the following offices: Cashiers, the Hub, and Financial Aid.

**Tuition Refunds:** Students who officially withdraw from courses may be eligible for a percentage refund of tuition and certain fees. If any fees are still owed, your refund will be applied accordingly; if your bill has been paid, you will receive your refund from the college's business office. No refund will be given for registration fees, tuition deposit, certificate, graduation or Tuition Payment Plan fees. **Official date of withdrawal will be the date the Registration and Records Office receives the completed withdrawal form with all required signatures.**

The schedule for refund is as follows:

- Cancelled by the college .........................100%
- Withdrawal prior to the first day of the semester ...............100%
- Withdrawal from the first day of the semester up to and including the census day of the semester ..............50%
- Approved withdrawal after the census day of the semester .............0%

Non-attendance does not relieve students of financial responsibility. Students must withdraw from class to be eligible for a refund. It is the responsibility of the student to officially withdraw from classes during the appropriate periods, to enable the possibility of a refund or credit.

The first day of class is defined to be the date on which classes officially begin for the semester and not the student’s first class day.

INFORMATION FOR DISTANCE LEARNERS

For students in distance learning classes, here is some important information regarding your online experience at OCC.

When do I Log In?

- There are no specific times to log into a course.
  - You can do the work at any time of day, as long as you meet the deadlines.
- Your instruction will be largely self-directed.
  - This calls for a good deal of self-discipline, organization, and time management.
  - Always reach out to your instructor immediately through the email function within the course with any concerns or problems you are having.

Tutoring

- Tutoring is available via a company called Smarthinking.
- A link to this service is contained in the dashboard for every online course.
  - The service is available 7 days a week, 24 hours a day
  - You may need to set up an appointment with them for a course that is not widely taken.
- The service is available for any content area.
- You can also get feedback on an assignment before submitting it for a Grade.
- If students use all of their allocated Smarthinking tutoring hours, they may request more hours by contacting Britni Epstein, Academic Administrator of eLearning, at bepstein@ocean.edu.

Active Participation Policy

- Take one of the following three actions within the first three days of class:
  - Post to a discussion board (Introduction boards DO count);
  - Take a quiz or a test;
  - Submit a homework assignment.
- If you wish to drop the course for a 50% refund, you must actively participate prior to the end of the 50% refund deadline.

How much time do I spend on each online course?

- General guidelines for the time you can expect to spend on an online course
  - a 3-credit course usually consumes approximately 7-10 hours per week.
  - a 5-credit course generally takes approximately 10-15 hours per week.
  - Remember, these times are approximate.
  - Science courses will be more time consuming, because you have to perform the labs in your home.
  - For some classes, this requires the purchase of a lab kit (at an additional expense) and, depending on the type of science course, may require you to store lab specimens. Check the bookstore’s website prior to the term. If your course requires a lab kit, you should purchase it before the term begins since they take time to ship.

There are technical requirements to consider.

- For login issues in Ocean Connect, find instructions by visiting https://www.ocean.edu/current-students/ocean-help or call 866-861-1122.

NOTES

2016–2017 Student Handbook
Absences for Religious Holidays (Policy #5162): Students who have a conflict between their class and religious observance should notify their instructors with the dates at the beginning of the semester.

Academic Adjustments: Any student with a documented disability is invited to contact Disability Services in the Center for Student Success to discuss issues that may relate to equal access to their educational programs.

Academic Honesty (Policy #5180): Academic honesty is a matter of deep concern to everyone connected with OCC. A fundamental claim of any institution of higher learning is its right to Academic Freedom, both to teach and to learn. A necessary precondition of academic freedom is the honesty of each individual member of the college community. Each member of the faculty and all students bear a fundamental responsibility for maintaining the condition of freedom through the exercise of integrity. Therefore, any breach of academic honesty requires a policy and procedure to guide faculty members and students through the adjudication of these offenses.

Academic Penalties for Unsatisfactory Academic Progress (Policy #5156): The academic penalties for failing to maintain satisfactory academic progress are Academic Warning, Academic Probation, Academic Sanction, Academic Suspension, and Academic Reinstatement. These penalties will be imposed on students who fail to maintain a cumulative Grade Point Average of at least 2.0, in accordance with the chart below.

In special circumstances, a student may appeal in writing to the Academic Standards Committee for permission to change to audit, if passing. No student may change from audit to credit. A student may change from credit to audit with the permission of the instructor. College Placement Test: (Policy #5165)
Degree students are required to demonstrate college-level proficiency in English and mathematics, specifically Elementary Algebra, by taking the Accuplacer Placement Test. Full-time students must take the Placement Test prior to registering for their first semester. Part-time students must take the Placement Test before registering for an English or Mathematics course or before registering for their twelfth credit. Exemptions may be granted to students in accordance with the procedure attached to this policy. Students are permitted to take only one retest.
Students identified as needing skill development must enroll in the appropriate developmental course(s). Students who do not pass the appropriate course(s) will be subject to academic restrictions.

Students may refer to Procedure #5165 for more information regarding Test scores, Exemptions, Placement Criteria, and Student Placement in Developmental Courses.

**Credit by Examination (Policy #5140):** Fully matriculated students can earn credit for what they already know by earning qualifying scores on CLEP tests or through training and educational program evaluations conducted by the National College Credit Recommendation Service (NCCRS), for which OCC has current course equivalencies as recommended by the Deans and approved by the Academic Standards Committee. See Attachment A for the current list of OCC CLEP equivalencies and Attachment B for NCCRS equivalencies.

Credit from unaccredited* institutions and/or credit for work and other appropriate life experiences may be granted for appropriate courses on the basis of examination. **UNEARNED GRADES**

- R Registered for Audit n/a
- T Transfer n/a
- W Withdraw n/a
- CR Credit n/a
- NC No Credit 0.0

Semester hours of credit in which a grade of A, B+, B, C+, C, D, or *P has been received are defined as “earned” semester hours. Quality points are earned for A, B+, B, C+, C, or D grades and, thus, affect the cumulative grade point average.

Semester hours of credit in which a grade of A, B+, B, C+, C, D, or *P has been received are defined as “attempted” semester hours. These grades count as attempted hours in computing the cumulative grade point average.

Grades of R, T, NC, or W are neither “earned” nor “attempted.” These do not affect the cumulative grade point average.

The grade of I (incomplete) may be awarded by an instructor if he/she approves a request from the student no later than the day of the final examination. A valid reason for the request must be offered. Approval of the request will allow 30 days from the term for which the “I” was issued, for the work to be completed and the final grade to be submitted to the Registrar. If the student is enrolled in a course for which the “I” grade course is a prerequisite, however, the work for the incomplete course must be made up by the fifth day of the next regular semester or the student must withdraw from the higher level course. Faculty must maintain a record or file of students’ written requests for “I” grades.

**Graduation Requirements (Policy #5152)**

1. To qualify as a candidate for an Associate Degree, a student must have:

   a. Earned a minimum of 60 credit hours (or as otherwise specified for certain curricula) of non-developmental credit which includes all courses required by the student’s curriculum of choice, and accrued sufficient grade points for a cumulative grade point average of 2.000 (average grade of “C”).
   
   b. Completion of minimum general education requirements, program specific requirements, and elective credit per the requirements of the academic program chosen.
   
   c. Waiver of any course requires that an equivalent number of credits must be completed to meet graduation requirements.

2. a. A student may transfer a maximum of 30 credit hours at any time during the student’s candidacy for a degree.
   
   b. Service personnel on active duty and their dependents must meet all College degree requirements with the following exceptions:
      
      1) A minimum of 24 semester hours of the 60 required must be earned through attendance of classes at Ocean County College.
      
      2) These 24 semester hours may be earned at any time during the student’s candidacy for a degree.

3. The College will confer Associates degrees three times per year. Candidates for graduation
must file an application for Graduation by an established deadline to be eligible for the next upcoming graduation. The specific deadlines and the actual dates of graduation will be determined by the Registrar, within the following guidelines:

- After the Fall Semester:
  - deadline to apply: mid November
  - actual graduation: second week of January
- After the Spring Semester:
  - deadline to apply: mid March
  - actual graduation: day of Commencement Ceremony
- After the Summer Sessions:

   - 3.80-3.89 magna cum laude (with high honors)
   - 3.90-4.00 summa cum laude (with highest honors)

A student graduating with honors will receive an emblem on the diploma indicating the honors category. The appropriate honors distinction shall also be shown on the student’s official college transcript.

5. The prescribed procedure will be followed in filing an application for a second degree. Additional degrees beyond the second normally will not be granted. Exceptions must be approved by the Academic Standards Committee.

Pass/no credit grading (Policy #5154) Full-time students who have completed the freshman year may register for one elective course outside their major field on a Pass/No Credit basis each semester beginning with his/her third semester. A part-time student who has earned a minimum of 28 semester hours of credit may register on a Pass/No Credit basis for one elective course during any succeeding semester for a maximum of three courses. Students so registered are expected to complete all course requirements.

The grade of “P” will be recorded for successful completion of each course with semester hours of credit applied toward a degree. A grade of “NC” (no credit) will be used to indicate unsuccessful completion of the course and will appear on the permanent record but will not affect the grade point average.

Plagiarism: See Academic Honesty.

President’s Honors List: The President’s Honors List is official recognition by the faculty of outstanding academic achievement. A student who has completed a minimum of twelve credits with no grade lower than “C” in a given semester and has achieved a semester grade point average of 3.50 or better qualifies for this honor. The President’s Honors List is compiled at the end of each semester, including the summer sessions.

Part-time students (taking less than 12 credits in a given semester) are eligible for this honor at the completion of sixteen, thirty-two, forty-eight and sixty-four credit hours respectively, having a cumulative grade point average of 3.5 or better.

Religious Holidays: See Absences

Research Paper Policy: Unless a particular documentation format or another text is prescribed by the instructor involved, the most current edition of Rules for Writers by Diana Hacker, shall serve as the general guide and standard for the entire college in all areas related to research paper form. Information about research and source documentation is also available on the OCC Library website and at the Writing Center. Questions regarding research methods should be directed to your instructor for clarification.

Withdrawal from class: A student who wishes to withdraw from any course must use the online withdrawal process found in WebAdvisor. Once completed, the electronic form will be sent to the instructor to include the last date of attendance. A student may withdraw without academic penalty at any time up to the withdrawal deadline of the semester (check the college website or college catalog for specific withdrawal deadlines). After this deadline, a withdrawal will constitute failure of the course.

Withdrawal from college: All students seeking total withdrawal from the College are encouraged to contact the Academic Advising Office and the Financial Aid office if they are receiving financial aid, prior to withdrawal.
Student Discipline Policy #5247

Ocean County College students are expected to uphold and abide by the standards of conduct that form the basis of the Code of Student Conduct. These standards are embodied within a set of five core values:

- **Integrity** – Ocean County College students exemplify honesty, honor, and a respect for the truth in all of their dealings.
- **Community** – Ocean County College students build and enhance their community.
- **Fairness** – Ocean County College students are just and equitable in their treatment of all members of the community and act to discourage and/or intervene to prevent unjust and inequitable behaviors.
- **Respect** – Ocean County College students exhibit positive regard for each other, for property, and for the community.
- **Responsibility** – Ocean County College students are given and accept a high level of responsibility to self, to others, and to the community.

Ocean County College students bear responsibility for their conduct. When students fail to exemplify the five core values by engaging in any violation of the standards, proceedings will take place as outlined in the Code of Student Conduct. Based on the outcome of the proceedings, the College reserves the right to engage in corrective and/or disciplinary action as outlined in the Code of Student Conduct.

**PROCEDURE**

Ocean County College is committed to fostering a campus environment that is conducive to academic inquiry and thoughtful study and discourse through the balance of individual student rights and the best interests of the College community.

The Vice President of Student Affairs is responsible for the oversight of student discipline at Ocean County College and has the authority to implement the procedures contained in the Ocean County College Code of Student Conduct, which is designed to address all student misconduct and Title IX allegations at the College.

Ocean County College students bear responsibility for their conduct; as such, they should familiarize themselves with the Ocean County Code of Student Conduct which is also available on our website.
PREFACE
Ocean County College students are responsible for knowing the information, policies, and procedures outlined in this Code of Student Conduct. Ocean County College reserves the right to make changes to this code as necessary; changes are effective when they are posted online. Students are encouraged to check online at go.ocean.edu/policies for the updated versions of all Ocean County College policies and procedures.

Nothing contained in this document is intended to conflict with local, state, or federal law.

SECTION 1: Philosophy Statement
Ocean County College is committed to fostering a campus environment that is conducive to academic inquiry and thoughtful study and discourse. The student conduct program within the Office of Student Conduct is committed to an educational and developmental process that balances the interests of individual students with the interests of the Ocean County College community. This Code of Student Conduct is designed to address all student misconduct excluding gender-based misconduct. Gender based misconduct is covered by Title IX and addressed by Policy #2410, Sexual Harassment.

A community exists on the basis of shared values and principles. Students of the Ocean County College community are expected to uphold and abide by certain standards of conduct that form the basis of the Code of Student Conduct. These standards are embodied within a set of five core values: integrity, community, fairness, respect, and responsibility.

Student members of the Ocean County College community bear responsibility for their conduct. When students fail to exemplify the five core values by engaging in violation of the rules described in this document, proceedings are undertaken to assert and uphold the Code of Student Conduct.

The student conduct process at Ocean County College is not intended to punish students; rather, it exists to protect the interests of the community and to challenge those whose behavior is not in accordance with College policies. Sanctions are intended to challenge students’ moral and ethical decision-making and to help them bring their behavior into accord with community expectations. When students are unable to conform their behavior to community expectations, the student conduct process may determine that the students should no longer share in the privilege of participating in this community.

The student conduct process is quite different from criminal and civil court proceedings. Student conduct procedures and rights are managed with fairness to all but do not include the same protections of due process afforded by the courts. Due process, as defined within this code, assures written notice, a thorough and equitable investigation, and the right to appeal in writing a finding or sanction, or both, based on specific grounds, as outlined in this document. Preponderance of the evidence is the evidence standard for this code.

No student will be found in violation of Ocean County College policy or the Code of Student Conduct without information showing that it is more likely than not that a violation occurred, and sanctions will be proportionate to the severity of the violation and to the cumulative conduct history of the student.

SECTION 2: Definitions
Advisor: Any person, chosen by a student to assist him/her/them throughout the disciplinary processes. The advisor shall not speak on behalf of the student. The parent or legal guardian of a student who is under the age of 18 (a minor) may advocate on behalf of the student during the process. Advisors other than legal guardians or parents are not permitted to speak on behalf of the minor student or involve themselves in the investigation process.

Anonymous: To report an incident without identifying the name of the reporting party in order to protect one’s identity.

Appeal: Refers to a process by which a responding student has requested to have the outcome of a student discipline investigation reconsidered if certain conditions are met (see Appeal Standards for Responding Students).

Bullying: Aggressive behavior or intentional harm-doing which is carried out repeatedly and over time in an interpersonal relationship characterized by an imbalance of power.

Business Day: A day that the College is open for business even if no classes are scheduled (excluding Saturdays and Sundays).

Responding Student: A student identified by the reporting party as violating this code or policy.

Title IX: Addressed under Ocean County College Policy #2410, Sexual Harassment. Title IX of the Education Amendments of 1972 prohibits discrimination based on sex in education programs and activities in federally-funded schools at all levels. If any part of a school district or college receives any federal funds for any purpose, all of the operations of the district or college are covered by Title IX.

SECTION 3: Jurisdiction

Ocean County College students are provided a copy of the Code of Student Conduct annually in the form of a link on the Ocean County College website. Hard copies are available upon request from the Office of Student Conduct. Students are responsible for having read and for abiding by the provisions of the Code of Student Conduct.

Scope of Jurisdiction

Ocean County College affirms its commitment to promote the goals of fairness and equity in all aspects of the educational enterprise. These procedures are applicable regardless of the status of a reporting party. A reporting party may be a member or non-member of the campus community, including students, student organizations, faculty, administrators, staff, guests, visitors, vendors, or campers.

For the purposes of student conduct, Ocean County College considers an individual to be a student when an offer of admission has been extended or registration processed for any credit or non-credit course or program (excluding campers) and thereafter as long as the student has a continuing educational interest in the College. In the case of a student who is enrolled simultaneously at OCC and at an affiliated high school and non-compliance with OCC’s Code of Student Conduct is alleged, the OCC Code of Student Conduct will apply for incidents that occur outside of the time when the student is under the supervision of the faculty/staff/administrators of the partner high school.

Ocean County College retains conduct jurisdiction over students who choose to take a leave of absence, withdraw, or have graduated for any misconduct that occurred prior to the leave, withdrawal, or graduation. If sanctioned, holds may be placed on the students’ ability to re-enroll, and/or obtain official transcripts, and/or graduate. All sanctions must be satisfied prior to re-enrollment. In the event of serious misconduct committed while still enrolled but reported after the responding party has graduated, Ocean County College may invoke these procedures. Should the responding party (former student) be found responsible, Ocean County College may revoke that student’s degree.

The Code of Student Conduct applies to behaviors that take place on the campus, at Ocean County College-sponsored events, and off-campus when the Vice President of Student Affairs, or designee, determines that the off-campus conduct affects a substantial Ocean County College interest. A substantial Ocean County College interest is defined to include:

- Any situation in which it appears that the student’s conduct may present a danger or threat to the health or safety of him/herself or others; and/or
- Any situation that significantly impinges upon the rights, property, or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or
- Any situation that is detrimental to the educational mission and/or interests of OCC.
- Any situation in which OCC policy or this code of conduct is violated.

Protected Speech and Online Behavior

The Code of Student Conduct may be applied to behavior conducted online, via email or other electronic medium. Students should be aware that online postings, such as postings on blogs,
web postings, chats, and social networking sites, are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of a violation is posted online. The College does not regularly search for this information but may act if and when such information is brought to the attention of Ocean County College officials.

Any online postings or other electronic communications by students not on College networks, websites, or between College email accounts, occurring completely outside of the College’s control, will be subject to this code only when those online behaviors can be shown to cause a substantial on-campus disruption. Otherwise, such communications are considered speech protected by the First Amendment. Remedies for such conduct will be provided, but protected speech cannot be legally subjected to discipline under this code, with one exception – in the case of a true threat, defined as “a threat a reasonable person would interpret as a serious expression of intent to inflict bodily harm upon specific individuals.”

**Guests, Visitors, Vendors, and Community Members**

Under the Code of Student Conduct, students may be held accountable for the misconduct of guests, visitors, vendors, and community members that the students invite to campus and/or host on campus.

The Code of Student Conduct also applies to students who are a part of all on-site contractual partner agreements including high school bridge, extensions, academy partnerships and dual-credit programs. Students in these programs are subject to the Code of Student Conduct while on Ocean County College’s campus when they are not under the supervision of representatives of the partner agency.

**SECTION 4: Violations of the Law**

Alleged violations of federal, state, and local laws may be investigated and addressed under the Code of Student Conduct. When an offense occurs over which the College has jurisdiction, the Ocean County College conduct process will usually move forward, notwithstanding any criminal complaint, or its outcome, that may arise from the same incident.

Students accused of crimes may request to take a leave of absence from Ocean County College until the criminal charges are resolved. In such situations, the voluntary leaves of absence are subject to the following conditions:

- The student must comply with all campus investigative efforts that will not prejudice his/her defense in the criminal trial; and
- The student must comply with all interim actions and/or restrictions imposed during the leave of absence; and
- In order to be reinstated to active status, the student must first be subject to, and fully cooperate with, the campus conduct process and must comply with all imposed sanctions.

Ocean County College reserves the right to exercise its authority to impose interim suspension upon notification that a student is facing criminal investigation and/or complaint. Full procedures for interim suspension may be found on page 12 of this document.

**Amnesty for Title IX or Other Serious Violations - Reporting Parties and Witnesses**

Ocean County College encourages the reporting of incidents of harassment, violations to equal opportunity, discrimination and crimes to College officials. Sometimes, reporting parties or witnesses are hesitant to report or participate as witnesses in the student conduct process because they fear they themselves may be accused of policy or code violations, such as underage drinking at the time of the incident. It is in the best interests of this community that reporting parties choose to inform College officials of serious conduct violations. Ocean County College participates in the reporting of serious conduct violations and that witnesses come forward to share what they know. To encourage reporting, the College pursues a policy of offering reporting parties and witnesses amnesty from minor policy and code violations related to serious conduct violations.

For Reporting Parties – Educational options will be explored, but no conduct proceedings or conduct record will result.

For Those Who Offer Assistance – Educational options will be explored, but no conduct proceedings or conduct record will result.
For Those Who Receive Assistance – At the discretion of the Executive Director of Student Services, amnesty may also be extended, on a case-by-case basis, to the person receiving assistance.

Abuse of amnesty requests can result in a decision by the Executive Director of Student Services not to extend amnesty to the same person repeatedly.

False Allegations
Deliberately false and/or malicious accusations under this code, as opposed to allegations which, even if erroneous, are made in good faith, are a serious offense and will be subject to appropriate disciplinary action.

Parental Notification
Ocean County College reserves the right to notify parents/guardians of students under the age of 21 regarding any health or safety risk, particularly alcohol and other drug violations. If a student is 21 years of age or older, the College may contact parents/guardians to inform them of situations in which there is a significant and articulable health and/or safety risk. The College also reserves the right to designate which officials have a need to know about incidents that fall within this procedure, pursuant to the Family Educational Rights and Privacy Act (FERPA).

Withdrawal of a Responding Student
A responding student facing an alleged violation(s) of the Code of Student Conduct is not permitted to withdraw from Ocean County College until the allegation(s) is resolved.

SECTION 5: How to Report an Incident

21. **Retaliatory Discrimination or Harassment.** Any intentional, adverse action taken by a responding individual or allied third party, absent legitimate nondiscriminatory purposes, against a participant [or supporter of a participant] in a civil rights grievance proceeding or other protected activity under this code, regardless of the outcome of the initial complaint;

Failing to intervene to prevent, failing to discourage, and/or failing to report those acts may also violate this policy (see Ocean County College Student Handbook, “Administrative Information and Policies”);

28. **Public Exposure.** Deliberately and publicly exposing one’s intimate body parts, public urination, defecation, and public sex acts.

SECTION 7: Student Conduct Authority

The President is vested with the authority over student conduct by the Board of Trustees. The President designates the Vice President of Student Affairs to oversee the student conduct process. The Vice President of Student Affairs designates the Executive Director of Student Services and Director of Program Compliance to manage the student conduct process.

SECTION 8: Overview of the Conduct Process

This overview provides a general awareness of the way in which Ocean County College’s campus conduct proceedings work, but it is noted that not all situations are of the same severity or complexity. Thus, these procedures are flexible and are not the same in every situation, although consistency in similar situations is a priority. The campus conduct process and all applicable timelines commence with notice to an administrator of a potential violation of Ocean County College rules.

Notice
When notice is received from any source, such as a reporting party, third party, or through an online communication, Ocean County College may proceed with an investigation.

Group Violations
A student group or organization and its officers and membership may be held collectively and individually responsible when violations of this code by the organization or its member(s):
- Take place at organization-sponsored or co-sponsored events, whether sponsorship is formal or tacit;
- Have received the consent or encouragement of the organization or of the organization’s leaders or officers; or
- Were known or should have been known to the membership or its officers.

Investigations of student groups or organizations follow the same general student conduct procedures. In any such action, individual determinations as to responsibility will be made and sanctions may be assigned collectively and individually, which will be proportionate to the involvement of each individual and the organization.

Investigation Notice of Investigation and Alleged Violation
When an investigation is opened by the Executive Director of Student Services or designee, a notice of investigation and a complete Code of Student Conduct will be sent to all parties. In the case of a student who is enrolled simultaneously at OCC and at an affiliated high school being investigated under OCC’s Student Code of Conduct, the administration of the affiliated high school may be notified of the investigation and be provided updates as needed. The Executive Director of Student Services, or designee, will appoint investigator(s) to investigate allegations of violations under this code. The investigator(s) may take the following steps, the Executive Director of Student Services, or designee:

Interim Measures
Under the Code of Student Conduct, the Executive Director of Student Services or designee, may:
- Take action to provide interim support and remedies to the reporting party and the community, such as no contact orders, counseling, academic support, student financial aid advising, a campus escort, academic or work schedule and assignment accommodations, safety planning, and referral to campus and community support resources.
- Impose restrictions and/or suspend a responding student from the College pending the investigation of alleged violation(s) of the Code of Student Conduct when a responding student is determined to represent a threat of serious harm to others, is facing allegations of serious criminal activity, to preserve the integrity of an investigation, to preserve Ocean County College property, and/or to prevent disruption of, or interference with, the normal operations of Ocean County College.

Interim suspensions are imposed until an investigation can be completed, typically within ten business days, pending the results of an investigation of alleged violation(s) of the Code of Student Conduct. The interim suspension may be continued if a danger to the community is posed. The College may be delayed or prevented from conducting its own investigation and resolving the allegation because of an ongoing criminal process. In such cases, the College will only delay its decision until such time as it can conduct an internal investigation or obtain sufficient information independently or from law enforcement upon which to proceed.

continued next page
This delay will be no longer than ten business days from notice of the incident unless a longer delay is requested in writing by the reporting party to allow the criminal investigation to proceed before the College process.

A student who receives an interim suspension may request a meeting with the Vice President of Student Affairs (for Student Conduct interim suspension) or designee, to demonstrate why an interim suspension is not merited. Regardless of the outcome of this meeting, Ocean County College may still proceed with an investigation.

During an interim suspension, a student may be denied access to the Ocean County College campus, facilities, and/or events. As determined appropriate by the Executive Director of Student Services, or designee, this restriction may include classes and/or all other Ocean County College activities or privileges for which the student might otherwise be eligible. A student's instructor(s), appropriate Dean(s), and Campus Security will be notified in writing by the Director of Program Compliance regarding the interim suspension of the student. At the discretion of the aforementioned officials and with the approval of, and in collaboration with, the appropriate Dean(s), alternative coursework options may be pursued to ensure as minimal an impact as possible on the responding student.

**Investigation Procedures**

When the Executive Director of Student Services or designee determines an investigation is required, the case is forwarded to Student Conduct investigator(s).

1. The Director of Program Compliance or a Student Conduct investigator will conduct a comprehensive investigation to determine if there is reasonable cause to believe that the responding student violated Ocean County College code/policy and to determine the specific violations that should serve as the basis for the complaint.
   a. If there is insufficient evidence through the investigation to support reasonable cause, the allegations will be closed with no further action;
2. Prepare the notice of alleged code/policy violation(s) on the basis of the reasonable cause determination, which will be delivered to the reporting party and responding student via OCC’s official means of student communication prior to any meetings between the responding student and the investigator(s);
3. Meet with the reporting party to finalize the official statement of complaint, which will be developed by the investigator(s), or designee, as a result of this meeting;
4. Meet with the responding student to finalize the official response to the complaint, which will be developed by the investigator(s), or designee, as a result of this meeting.
5. A reporting party or responding student is permitted to bring an advisor to the meeting. However, the advisor may not interfere with the investigative process. The advisor’s presence is to provide support and guidance to the student. The advisor may not speak on behalf of the student nor may the advisor question the investigator. The parent or legal guardian of a student who is under the age of 18 (a minor) may advocate on behalf of their student during the process. Advisors other than legal guardians or parents are not permitted to speak on behalf of the minor student or involve themselves in the investigation process.
6. Commence a thorough, reliable, and impartial investigation by developing a strategic investigation plan, including a witness list, evidence list, intended timeframe, and order of interviews for all witnesses and the responding student, who may be given notice of the interview prior to or at the time of the interview;
7. Interview all relevant witnesses and summarize the information they are able to share;
8. Obtain all documentary evidence and summarize the information that is available;
9. Obtain all physical evidence that is available;
10. Send additional Notice of Alleged Violations to the responding and reporting parties if additional violations of the Student Code of Conduct are discovered during the course of the investigation;
11. Arrange and have follow-up meetings with any of the parties as deemed necessary based on the information gathered throughout the investigation;
12. Complete the investigation promptly by analyzing all available evidence without unreasonable deviation from the intended timeline;
13. Make a finding, based on a preponderance of the evidence (whether a policy/code violation is more likely than not);
14. Present the investigation report and findings to the Executive Director of Student Services.

Responding students or reporting parties may inquire with the Executive Director of Student Services if they have questions about any aspect of the process or would like an update on the status of an investigation. During these conversations, issues of procedure and timelines may be discussed. Any information directly related to the investigation must be addressed with the investigator(s). Ocean County College reserves the right to record all conduct meetings and interviews.

Finalization of Investigation and Determination of Sanctions

In the event the investigator(s) finds that the responding student is responsible for the violation(s), the case report with the finding will be forwarded to the Executive Director of Student Services to assign sanctions. Sanctions for all cases will be assigned by the Executive Director of Student Services to ensure consistency. The Executive Director of Student Services will deliver notice of findings and sanctions to all parties.

Notification of Outcomes

The outcome of a campus investigation is part of the educational record of the responding student and is protected from release under the Federal Education Rights and Privacy Act (FERPA), except under certain conditions. As allowed by FERPA, when a student is accused of a policy/code violation that would constitute a “crime of violence,” “Ocean County College will inform the reporting party in writing of the final results of an investigation regardless of whether the College concludes that a violation was committed. Such release of information may only include the name of the alleged student/responding student, the violation committed, and the sanctions assigned (if applicable). Students should be aware that, in the event they pursue a job that requires some kind of security clearance and Ocean County College receives a request from a government agency with a signed release from the student, these records must be released to the requesting government agency. If a student is enrolled simultaneously at OCC and at an affiliated high school and their case is adjudicated under OCC’s Student Code of Conduct, the administration of the affiliated high school may be notified of the outcome of the investigation.

In cases where Ocean County College determines through the student conduct process that a student violated a policy/code that would constitute a “crime of violence”, the College may also release the above information publicly and/or to any third party. FERPA defines “crimes of violence” to include:

1. Arson
2. Assault Offenses (includes stalking)
3. Burglary
4. Criminal Homicide— Manslaughter by Negligence
5. Criminal Homicide— Murder and Non-Negligent Manslaughter
6. Destruction/Damage/Vandalism of Property
7. Kidnapping/Abduction
8. Robbery
9. Forcible Sex Offences
10. Non-Forcible Sex Offenses

Conduct Sanctions

One or more of following sanctions may be imposed upon any student for any single violation of the Code of Student Conduct:

1. Warning: An official written notice that the student has violated Ocean County College policies and/or rules and that more severe sanctions will result should the student be involved in other violations while the student is enrolled at the College.
2. Restitution: Compensation for damage caused to Ocean County College or any person’s property. This could also include the payment of labor costs and expenses when a student fails to return a reserved space (classroom, conference room) to its proper condition. This is not a fine but, rather, a repayment for labor costs and/or the value of property destroyed, damaged, consumed, or stolen.
3. Community/Ocean County College Service Requirements: A student or student organization may be required to complete specific supervised Ocean County College service.
4. Loss of Privileges: The student may be denied specified privileges for a designated period of time.

7. **Educational Program or Assignment:** Requirement to attend, present, and/or participate in a program or write a research/reflection paper related to the violation. It may also be a requirement to sponsor or assist with a program for others on campus to aid them in learning about a specific topic or issue related to the violation for which the student or organization was found responsible. Audience may be restricted.

8. **Ocean County College Probation:** The student may be put on official notice that, should further violations of Ocean County College policies/codes occur during a specified probationary period, he/she may face suspension or expulsion. Regular probationary meetings may also be imposed.

9. **Eligibility Restriction:** The student is deemed “not in good standing” with Ocean County College for a specified period of time. Specific limitations or exceptions may be granted by the Executive Director of Student Services, or designee, such as:
   a. Ineligibility to hold any office in any student organization recognized by Ocean County College or hold an elected or appointed office at the College;
   b. Ineligibility to represent Ocean County College to anyone outside the College community in any way, including participating in the study abroad program, attending conferences, or representing Ocean County College at an official function, event, or intercollegiate competition as a player, manager, or student coach.

10. **Revocation of Driving and Parking Privileges on Campus:** Evidence of reckless or repeated violations of traffic safety or parking regulations on College premises may lead to a revocation of driving and parking privileges on campus.

11. **Removal from Class:** A student who is disruptive to the learning environment may be removed or withdrawn from a class or transferred to another section of the course.

12. **Ocean County College Suspension:** A student may be separated from Ocean County College for a specified minimum period of time, after which the student is eligible to return. Eligibility may be contingent upon satisfaction of specific conditions noted at the time of suspension. During the suspension period, the student is banned from Ocean County College property, functions, events, and activities without prior written approval from the Executive Director of Student Services, or designee. This sanction may be enforced with a trespass action as necessary. This sanction will be noted as a Conduct Suspension on the student’s official academic transcript.

13. **Ocean County College Expulsion:** A student may be permanently separated from Ocean County College, with the student being banned from College property and the student’s presence at any Ocean County College-sponsored activity or event prohibited. Ocean County College will contact local law enforcement to report a person who has been expelled for trespassing if they are found on College property. This sanction will be noted as a Conduct Expulsion on the student’s official academic transcript.

14. **Other Sanctions:** Additional or alternate sanctions may be created and designed as deemed appropriate to the offense with the approval of the Executive Director of Student Services, or designee.

The following sanctions may be imposed upon groups or organizations found to have violated the Code of Student Conduct:

1. One or more of the sanctions listed above and/or
2. Deactivation, de-recognition, or loss of all
privileges, including status as an Ocean County College registered group or organization, for a specified period of time.

**Notice of Findings and Sanction(s)**

At the conclusion of an investigation, Ocean County College will notify all parties of the findings and sanctions as well as provide a copy of the investigation report. Responding students have the right to accept or reject findings or sanctions within seven business days of their receipt of the notice of findings and sanctions. A responding student may accept the finding and sanction(s) by not responding to the notification and allowing seven business days to pass. A responding student may reject the finding and/or the sanctions only by filing a written appeal within seven business days of receiving official notification of responsibility from the College. This written appeal document must contain all the information that the responding student wants to be considered in his/her appeal of either the finding, the sanction(s), or both.

If Ocean County College’s finding is that the responding student is responsible for the violation, the responding student has seven business days after receiving notice of the finding and sanction(s) to either accept or reject the finding, sanction(s), or both, using the methods listed in the first paragraph of this section.

**Appeal Standards for Responding Students**

Appeals requests from responding students for both findings and sanctions are limited to the following grounds:

1. A procedural, or substantive, error occurred that significantly impacted the outcome of the investigation and determination of sanction(s), such as substantiated bias or a material deviation from established procedures;
2. To consider new evidence, unavailable during the original investigation, that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included in the appeal;
3. The sanctions imposed are substantially disproportionate to the severity of the violation and the responding student’s conduct history.

Appeals must be filed in writing with the Vice President of Student Affairs within seven business days of the notice of the outcome of the investigation to the student. In order to file an appeal, a responding student filing an appeal must include the following three elements:

1. Clearly identify the grounds under which the appeal is being filed based on the three reasons identified above;
2. Address the ways in which the circumstances of the case meet the grounds for appeal;
3. Provide a complete summary of the appeal, including all new evidence, if applicable, and any other information that supports the appeal.

It is recommended that these elements of the written appeal are organized as three sections in the document so that reasons and support for the appeal are clear. The Vice President of Student Affairs will review all appeal requests from responding students and determine if the grounds for an appeal are met. No appeal will be forwarded for an administrative review unless there is reasonable cause to believe that the grounds for appeal have been met. Reasonable cause is defined as some credible information to support each element for the appeal, even if that information is merely a credible witness or a reporting party’s statement. If the Vice President of Student Affairs determines there is no basis for an appeal, the appeal will be denied and the responding student will be notified of the decision within seven business days. Decisions regarding the merit of an appeal by the Vice President of Student Affairs are final.

If credible support for the appeal is submitted, the Vice President of Student Affairs will forward the appeal for administrative review and will notify the reporting and responding parties within seven business days that the appeal will be sent to the Administrative Review Panel for consideration.
Composition of the Administrative Review Panel

The Vice President of Student Services, or designee, will be responsible for assembling the Administrative Review Panel according to the following guidelines:

1. The membership of the Panel is selected from a pool of at least six students, six faculty/lecturers, and six staff/administrative members appointed and trained for at least three hours annually by the Vice President of Student Affairs.
2. For each appeal, a Panel will be chosen by the Vice President of Student Affairs from the available pool and is usually comprised of one student, one faculty member, and one staff member or administrator. Availability may determine a different composition for the Panel.
3. In a case where grounds for appeal have been met, the Vice President of Student Affairs must form a Panel and schedule a meeting to review the appeal, absent mitigating factors, that occurs within ten business days of the day that the appeal was forwarded to the Administrative Review Panel.

To serve in the Panel pool, students must:

1. Be in academic good standing and have completed 15 hours of academic credit with a cumulative GPA of at least 2.0.
2. Be in good standing with the conduct process throughout the semester in which they serve. Good standing is defined as having no record of misconduct during the semester(s) in which a student wishes to serve on the panel. A serious history of misconduct could disqualify a student for service.

In the event of a resignation from the Panel, the Vice President of Student Affairs will solicit a replacement from the group from which the representative came.

Administrative Review Panel Procedures

1. The Vice President of Student Affairs will be present in a non-voting capacity to answer policy or procedure questions only and to ensure that policy or procedures are followed.
2. Neither the reporting party nor the responding student (or their representatives) may be present or know the identity of the members of the Administrative Review Panel.
3. Neither the Executive Director of Student Services nor the Director of Program Compliance may be present during the review meeting.
4. The panel must keep all proceedings confidential.
5. Panel members will review:
   a. The Ocean County College case report and the sanction(s) assigned by the Executive Director of Student Services.
   b. The appeal materials submitted by the responding student.
6. The Panel will decide if the appeal is approved or denied by simple majority vote.
7. If an appeal is approved, the Panel may:
   a. Find that the responding student is still responsible but revise the sanction(s). If the Panel chooses this option, the process ends and no further appeals may be filed by any party.
   b. Reverse the finding of “responsible” and remove the sanction(s). If the Panel chooses this option, the process ends and no further appeals may be filed by any party.
   c. In rare cases where a procedural error cannot be cured by the original investigators, as in cases of bias, the Administrative Review Panel may order a new investigation with a new investigator.
   d. If a new investigation is ordered, a new investigator will be assigned to the case and will follow the Investigation process. If the outcome of this investigation finds the student is responsible for Code violations, a trained Administrator from the Administrative Review Panel pool who did not serve on the appeals committee will determine and issue the appropriate sanction(s).
8. If an appeal is denied, the finding and sanction(s) assigned by the College are final and the process ends.
9. Following the Administrative Review Panel meeting and decision, the Vice President of Student Affairs, absent mitigating factors, has three business days to inform the reporting and responding parties of the panel’s decision.
10. All notes and materials used in the review must be returned to the Vice President of Student Affairs.
Failure to Complete Conduct Sanctions
All students, as members of the Ocean County College community, are expected to comply with conduct sanctions within the timeframe specified by the Executive Director of Student Services or Administrative Review Panel. A Disciplinary Hold, prohibiting all academic and financial transactions, will be placed on student accounts until sanctions have been fulfilled. Failure to follow through on conduct sanctions by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanctions and/or suspension from Ocean County College. A suspension will only be lifted when compliance with conduct sanctions is satisfactorily achieved. This determination will be made by the Executive Director of Student Services.

Section 9. Disciplinary Records
All conduct records are maintained by Ocean County College indefinitely in accordance with New Jersey document retention law.
Grievances (Policy #5230):

Any student who believes he or she has been harmed the interpretation, application or violation of college policies and/or procedures may file a complaint through the Vice President of Student Affairs.

The complaint shall be handled in accordance with appropriate procedure approved by the President.

1. A grievance is a claim by a student that he/she has suffered harm by a member of the college community due to one or more of the following conditions: sex, marital status, race, color, creed, national origin, ancestry, age, disability, sexual orientation, or Vietnam-era veteran.

In the event that a student believes he/she has the basis for a grievance, he/she shall first informally discuss the grievance with the college employee who is a party to the grievance within seven (7) calendar days of the alleged incident. If the informal discussion with the college employee fails to resolve the complaint, the student grievant may then pursue the informal discussion of the issue with the employee's supervisor.

2. If, as a result of the informal discussion(s), a grievance still exists, the student shall submit the grievance, in writing, within fourteen (14) calendar days from the date of the alleged grievance to the Vice President – level officer in whose functional area of responsibility the alleged grievance took place with a copy to the college employee(s) who is/are a party to the grievance. The Vice President will refer the issue to the Dean-level officer in the area of concern. Failure to initiate this procedure within the specified time frame shall negate the student's right to grieve.

The written grievance, signed by the student, shall include:

- The nature of the grievance, including as much specificity as possible.
- The nature and extent of harm, loss, or inconvenience.
- The results of previous discussion with the involved college employee.
- The dissatisfaction with previous action. The Vice President-level officer shall then investigate the charges and hold a formal meeting with the grievant, the college employee against whom the grievance is filed, and other parties to the grievance.

The appropriate Dean shall give a minimum of twenty-four (24) hours notice of such a formal meeting to the principal parties. This meeting shall be held at a time which is mutually convenient for both parties. The employee against whom the grievance is filed shall in such notice be apprised of the specific nature of the complaint.

The principal parties to the grievance shall have the opportunity to have present a representative of their respective choices at the meeting.

The appropriate Dean shall respond after his/her investigation of the charges, in writing, to the written grievance within fourteen (14) calendar days of receipt of the grievance. A copy of the response shall also be provided to the college employee(s) who is/are a party to the grievance and the employee's supervisor.

3. If the student feels that he/she has not received a satisfactory settlement of the grievance from the appropriate Dean, he/she may request the Vice President-level officer to hear the complaint. The final appeal may be to the President of the College. The President may review the complaint or, at the President's discretion, appoint a representative or a Review Committee to do so and make recommendations on the complaint. A review/hearing, if deemed appropriate by the President, shall commence within fourteen (14) calendar days of the date on which the President received the request for the grievant.

The President's designated representative or Review Committee shall render its recommendation on the grievance, in writing, to the President within fourteen (14) calendar days of its inception. The parties to the complaint shall be instructed to appear at the review/hearing, if a hearing is held, and shall be given a minimum notice of twenty-four (24) hours.

This hearing shall be held at a time which is mutually convenient for both parties. The principal parties to the grievance shall have the opportunity to present a representative of their respective choices at the hearing.

The President shall render a decision on the grievance within seven (7) calendar days of receipt of the recommendation or the close of the President's own review. A copy of the President's decision shall be provided to the student, to the college employee who is party to the grievance, and to the employee's supervisor.

4. The designated reviewing party at each level of the grievance procedure, beyond the informal first level, shall arrange for orderly presentation of evidence related to the grieved condition. Individuals involved in the complaint shall be notified of the dates, times, and procedures for hearing, if such hearings are held.

The number of days held should be considered as maximum, and all reasonable effort should be made to expedite the process.

However, the time limits may be extended by mutual consent, if conditions warrant. A grievance may be withdrawn at any level by a grievant. No reprisals shall be taken against any student because he/she initiates or takes part in the grievance process.

If remedial action is indicated in the resolution of the grievance, established administrative and operating procedures shall be utilized. All time frames and procedures outlined herein are subject to change in accordance with relevant provisions of existing collective bargaining agreements.

The Division of Student Affairs has primary responsibility for the implementation of this procedure. Any questions and/or concerns relative to the procedure as outlined herein shall be referred to the Vice President of Student Affairs.
Family Educational Rights and Privacy Act (FERPA)

FERPA Annual Notification: The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution at any age.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day Ocean County College receives a request for access. A student should submit to the Registrar a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If Ocean County College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before Ocean County College discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. Ocean County College discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official includes a person employed by Ocean County College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also includes a volunteer or contractor outside of Ocean County College who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Ocean County College. Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the [School] to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Disability Services

Disability Services is located within the Center for Student Success. Our staff work with students with disabilities to develop an Accommodation Plan providing reasonable accommodations, which minimize the impact of a disability in the learning environment. Students with documentation of a learning disability, medical/physical disability, visual or hearing impairment, and/or psychological/psychiatric disability must arrange disability services through the Center for Student Success. To arrange for services, a student must: 1. Complete a Student Intake Packet provided by the Center for Student Success 2. Present written documentation of disability 3. Meet with a staff member from the Center for Student Success.

For more information please contact Center for Student Success, Disability Services, Library Building #3, Room 124, 732-255-0456 or accommodations@ocean.edu.

High School Equivalency Assessment Testing

High School Equivalency Assessment (HSEA), previously known as GED®, is an activity of the Ocean County Board of Chosen Freeholders funded through Ocean County PIC in cooperation with the Ocean County Workforce Investment Board, Ocean County College and the NJ Department of Education Adult Education. Our site is an official NJDOE Jurisdictional Testing Site, and all examiners are State certified.

Candidates who wish to test must meet NJ State eligibility requirements: 16 years of age or older, signed out of school, provide proof of New Jersey residency, and present one valid primary photo ID (such as NJ Motor Vehicle Driver or non-driver id, US Passport) and one secondary ID.

Ocean County College offers HSEA Testing and Retesting by appointment only. Please contact the HSEA Testing Center at 732-255-0530 to make an appointment or for additional information.

Study Abroad/International Education

Students, college faculty and staff, and members of the college community have opportunities to travel to international destinations. These programs are usually offered during semester breaks and summer.

Recent and upcoming short-term study abroad trips have included Theatre in London (England), Middle Eastern Studies Seminar (Morocco), The World of the Maya (Central America/Mexico), History and Culture of Ireland (Ireland), and Battlefields of the World Wars (France). Students who enroll in and successfully complete our study abroad programs can earn at least three college credits.

For more information, contact Dr. Rosann Bar, 732-255-0400 ext. 2210.
Barnegat Bay Partnership

The Barnegat Bay Partnership (BBP) is one of only 28 US EPA-funded National Estuary Programs in the United States, and comprises federal agencies, the state of New Jersey, Ocean County, local municipalities, academic institutions, and nongovernmental organizations working together to help restore, maintain, protect, and enhance the Barnegat Bay ecosystem and its natural resources. The BBP is a department of Ocean County College, which manages the program’s federal grant funds and provides other valuable services. This ensures that BBP funding can be used primarily for scientific research and education.

The BBP can assist students looking to get involved in college, environmental, and community activities. BBP staff members are available to assist student clubs, and the BBP supports an active volunteer program that works with many environmental groups throughout the watershed. The BBP periodically provides opportunities for work-study students, and even part-time employment.

The BBP has a small library of environmental reference materials (including journals, published studies, videos, DVDs, and CDs), and has educational resource materials available for loan. The BBP also hosts environmental events on campus. For further information, visit www.barnegatbaypartnership.org or contact Karen Walzer, Public Outreach Coordinator, 732-255-0472 or email kwalzer@ocean.edu.

Continuing and Professional Education (CPE)

The mission of the Department of Continuing and Professional Education (CPE) is to meet the career training needs of our community, local to our county and world-wide via online learning. We offer comprehensive career training educational programs on campus, at off-campus sites within the community, and online. CPE maintains numerous community partnerships and we are part of a statewide consortium offering training to business, industry, and organizations. The CPE department also offers over 200 kids’ summer programs for ages 3-15. To learn more about our programs and to view our full brochure of courses and programs, visit our web pages at www.ocean.edu/cpe.htm. For additional information, contact the CPE department at 732-255-0409 or cpeinfo@ocean.edu.
Security Staff

The Ocean County College’s Security Department works with the Toms River Police Department to safeguard and serve the college community. Our campus is patrolled 24 hours a day, 365 days a year.

Uniformed officers respond to emergencies, regulate the flow of traffic and enforce parking regulations and college policies. Our officers are certified in CPR/AED, First Aid, Oxygen and Naloxone Administration, and maintain S.O.R.A. certifications. The officers also receive training through the Ocean County Prosecutor’s Office, Ocean County Sheriff’s Department and various other State and Local Agencies.

The women and men of the Ocean County College Security Department have the responsibility of protecting life and property on the campus. The Department is also responsible for the prevention and detection of crime.

It is the goal of the Ocean County College Security Department to equally serve all members of the college community without regard to race, color, creed, ethnicity, sex, national origin, age, religion, veteran’s status, marital status, disability, or sexual orientation.

The Ocean County College Security Department maintains mobile, bicycle, and foot patrols that cover the entire campus. Our officers are always in radio contact with Security headquarters and quickly respond to emergency situations.

ID Cards

Student IDs are issued at the HUB (Building #1). All students are required to have their pictures taken for OCC ID cards. ID cards must be updated at the beginning of each subsequent semester. You MUST present a current schedule and a photo ID to receive a College ID. The ID cards are necessary for trip sign-up, purchasing tickets through the Office of Student Life, and to borrow books/materials from the library. Replacement ID Cards/Library Cards are $10.

Contacting Security on Campus

- Information/emergency call boxes are located in all parking areas and can be easily accessed and operated by following instructions printed on each unit. Locations are marked with signage and blue lights.
- Emergency phones are located in each classroom and can be utilized to call security in the event of an emergency. In most buildings, there are “red” emergency call boxes located in the hallways. These also can be utilized in case of an emergency.
- Lost and Found: Lost items from all over the campus usually wind up at the Security Office at the Security/Welcome Center. To inquire about lost items, call extension 2170 or stop in to claim it. Items will only be kept for 7 days.

Pedestrians

- Use caution around areas of construction on campus.
- OCC is a non-smoking campus. Smoking is not allowed anywhere on the campus; including the parking lots.
- Vapor/electric cigarettes are not permitted on campus.
Children on Campus

Children under the age of 18, who are not registered students of OCC, are allowed on campus property only under the immediate supervision of a parent, guardian or registered student, or while participating in a scheduled program or event. Children are never to be left unsupervised and are prohibited from being left unattended in college buildings or on college grounds.

On an emergency basis only, it is the prerogative of faculty to permit children of enrolled student’s admission to regular classes; however, admission of children to scientific laboratory type settings is prohibited for safety reasons.

Emergency Evacuation

In the event of fire, smoke conditions, or another emergency situation that requires evacuation of a building, the fire alarm will sound and the police and local fire department will respond. At the sound of the fire alarm, faculty, staff, and students must evacuate the building immediately. Only after the condition has been deemed safe by the fire department will you be permitted to re-enter the building.

Lock Down Procedure

A Lock Down is used when there is an immediate threat to the building occupants. In the event of a Lock Down, students, faculty and staff would be instructed to secure themselves in the room they are in and not to leave until the situation has been curtailed. This allows emergency responders to secure students and staff in place, address the immediate threat and remove any innocent bystanders from immediate danger to an area of safe refuge.

Active Shooter Procedures

If faced with an active shooter incident, there are THREE things you can do that make a difference. RUN, HIDE, FIGHT.

RUN: When an active shooter is in your vicinity. If there is a way out, and you can get out, GET OUT! This is your best option.

HIDE: If evacuation is not possible, find a place to hide.

FIGHT: AS A LAST RESORT, and only if your life is in danger.

Campus Safety, Emergencies

To facilitate the reporting of criminal actions or a campus emergency, the following procedures are in place:

1. The Security Office, located at the bottom of Parking Lot #1, is open and staffed 24 hours a day;
2. There is a motorized patrol of campus and parking lots;
3. Emergency telephones are located throughout the campus and are direct dial to the Security Office;
4. The Security Office is equipped with call extension “ID” which allows the Security Department to identify your calling location in the event of an emergency;
5. Security and the Duty Administrator are equipped with portable two-way radios and are in constant communication with each other;
6. From off-campus, Security can be reached at 732-255-0451 or on-campus, ext. 2170, 24 hours a day.

continued next page
To control access to the campus and college buildings, the following policies are in effect:

1. There is a college policy that deals with visitors to the campus and the times they are permitted in buildings;
2. Security issues photo ID cards to all faculty/staff, and students;
3. Buildings are secured at the conclusion of activities each day;
4. Written permission must be obtained by student from a faculty or staff member to work late in a building;
5. Doors and door locks are inspected nightly to insure proper operation;
6. Lights are inspected nightly and reported to maintenance if not working;
7. Closed-circuit TV (CCTV) security cameras are mounted on campus. Security Officers at Ocean County College maintain an excellent working relationship with the Toms River Police Department, the Ocean County Sheriff’s Department, and the New Jersey State Police. The security manual requires our security officers to handle violations of minor rules and regulations and to call the police for violations of a serious or criminal nature.

Parking

Park only inside the white lines in designated student areas. Do not park in yellow lined areas, on the grass, or any other non-designated areas. You will be ticketed.

Parking/Traffic Regulations

Areas are designated as follows:

1. The speed limit at Ocean County College is 15 M.P.H., unless otherwise posted. This regulation will be strictly enforced.
2. Pedestrians have the right-of-way at all times.
3. All persons operating a vehicle on campus must obey stop signs and all other signs regulating traffic safety.
4. All vehicle accidents occurring on campus must be reported to the Security Department and the Toms River Police Department, 732-349-0150.

Enforcement

1. The Security Department enforces the college vehicle regulations. A written notice of violation(s) is affixed to each vehicle parked in violation of the regulations.
2. In the case of blatant parking violations (Handicapped, Loading Zones, Fire Lanes, etc.) the Security Department will notify Toms River Police and a municipal summons will be issued.
3. When personal or property safety is threatened, the normal flow of traffic is impeded, or the maintenance of the college is stopped by an illegally parked vehicle, it may be towed at the owner’s expense.
Fees*

$15
1. Occupying more than one parking space.
2. Parking in Faculty/Staff space.

$25
1. Parking in “No Parking” Zone
   (Fire, unloading, etc.)
2. Blocking or impeding traffic.
3. Parking in non-designated space.
4. Parking in a designated reserved space.
5. Disregard of a traffic control device.

$100

2. The fine for each parking violation must be paid in person or by mail to: Accounting Department, Ocean County College, College Dr., P.O. Box 2001, Toms River, NJ 08754-2001. Checks or money orders should be made payable to Ocean County College.

Parking in Handicapped, Fire and/or Loading Zones is a municipal violation and subject to ticketing

Traffic Appeal Procedure:

A ticket may be appealed to the Traffic Appeals Committee provided it is made in writing to the Security Office within twenty (20) Calendar days from the issuance of the Vehicle Violation Ticket.

Request forms may be obtained and returned to the Security Office. Failure to properly file an appeal request form shall result in the forfeiture of the right to appeal.

The following issues will not be considered for appeal:

1. The length of time the vehicle was illegally parked
2. Parking on the grass
3. Parking in a particular area in the past did not result in being ticketed or that there were no “No Parking” signs
4. Other vehicles in the same area were not ticketed
5. All Parking Lots were full
6. Parking in the Faculty/Staff parking lot for any reason when you are a student.
7. Direct violation of Parking Policy

The Traffic Appeals Committee, not the Security Department, has the authority to hear and decide appeals.

*Payment Methods

Checks or money orders are acceptable if made payable to Ocean County College and must include the student’s name and ticket number. A charge of $20 will be assessed for all checks issued to the college and not paid upon presentation to the bank. Once a personal check is returned by a bank to the college, it will not be re-deposited nor will the college accept another personal check in its place. Instead, payment will have to be made in cash or by certified check or money order.

Once payment has been made, the check will not be returned to the student if the student changes his or her mind about attending. Likewise, the student should not process a stop payment order at his or her bank. The college will treat a stop payment as a returned check and will apply the $20 returned check charge.

Instead, the student should go to the Office of Registration and Records and process a Drop/Add Form. The college will, in turn, generate a refund check in the appropriate amount.

Emergency & Safety Alerts: OCC Students and Employees are encouraged to opt-in to OCC’s emergency alert system “Viking Alert”. Activate your alerts through your Ocean Connect or visit: ocean.sendwordnow.com

Training Programs: The Security Department will partner with students, faculty and staff to provide a safe and secure learning environment. We offer many safety lectures and programs to our community and are available upon request. Contact the Security Office at 732-255-0451 to schedule training.

Even when you’re upset, use words of love. Don’t let your expressions, even of anger, be confused or misconstrued. Turn them into words of expression that can be understood by using words of love.
