

2021-2022
Identity and Statement of Educational Purpose

As of April 3rd, 2020 the U.S. Dept. of Education has waived the requirement to present documents in-person to a school official or a notary to verify his or her identity. This relaxed flexibility allows you to present an unexpired valid government-issued photo identification (ID), such as, but not limited to, a driver's license, other state-issued ID, or passport along with this printed and signed form.

The institution will maintain a copy of the student's photo ID that is annotated by the institution with the date it was received and reviewed, and the name of the official at the institution authorized to receive and review the student's ID.
