Dedication Pledge

Nursing Classes of December 2020-May 2021

Take my hand...

I pledge my support to you

in times of crisis and need,

through times of despair and loneliness.

*I pledge to practice my profession knowledgeably
and responsibly,*

to work as a member of the health care team

to promote well being of mind and body,

in bringing a new life into the world

and comforting a life at its end.

I will be your advocate,

and will strive to preserve and promote

the highest standards of patient care;

and respecting individuality,

I will uphold in strictest confidence

all personal matters entrusted to me.

I solemnly pledge

before God and this assembly

to uphold the highest standards of my profession,

to teach patiently and kindly, and without judgment,

utilizing my knowledge to the utmost,

and to keep it current;

to fulfill my rights and privileges as a nurse

in promoting the health and welfare of the community,

and to carry the light of hope always

so that it may shine out through the darkness...

to you.
