## 8. Club information / News

Josh brought up idea of hosting statewide SGA meeting in the spring in person at OCC. Need to find out logistics of what is needed to do that – concerns over whether or not there are enough members for the “manpower” needed to host a large scale event like that. To be continued.

Follow-up to tabling in the student center: week after Thanksgiving.

Follow-up to discussion about ordering t-shirts – select design to use.

Next meeting: topic for conversation will be food services with guests from Business Office, including the CFO, and Bubbakoos. Looking for feedback from SGA and discussion about campus food service.

Meeting adjourned at 4:28pm.
