1. Possess a high school diploma or General Equivalency Diploma (GED).
2. Complete either A, B, or C as follows:
 - a. Achieve a minimal SAT combined Critical Reading (or Evidence Based Reading and Writing) and Math score of 1100, or an ACT score of 24
 - b. Possess a Bachelor's degree from a regionally accredited college or university and complete A&P I & II with a minimum of a "C" within the last ten years
 - c. Complete all the pre-professional phase: nursing course requirements with a minimum grade of "C" and a cumulative college G.P.A. of 2.7 or better (All previous college coursework is included in this GPA calculation). 4. Successfully complete a criminal background check.
