

Displaced Homemakers Program

Empowered to Care Healthcare Pathways!

You have been building the essential skills for workplace success. Now see where those skills can take you.

The Displaced Homemakers Program (DHP) and Strengthening Community Colleges Grant (SCC5) invite you to an informational presentation about Health First New Jersey training opportunities at Ocean County College.

Date: August 13, 2026

Time: 2:00 -3:00

Place: Ocean County College,
1 College Drive
Toms River
Building 8 Larson

Key Program Outcomes:

- Healthcare career pathways that pay family-sustaining wages and offer career advancement opportunities
- Industry-recognized credentials
- Opportunities for connection to a host of healthcare employers

Explore our available healthcare training programs and learn how the DHP and SCC5 work together for sponsorship opportunities that can help cover the costs.
